CONTRACT FORMAT INDEXING SYSTEM

The Collective Bargaining Agreement uses a reference number to identify the application of Articles, Sections and Letters of Agreement, Intent, etc., to the groups of workers specified in Article 2, Recognition. If one of the following numbers is added to an Article or Letter of Agreement, it signifies the group of workers to which the Article or Letter applies:

- .1 Homecare Workers (HCWs)
- .2 Personal Support Workers (PSWs)

If an Article or Letter of Agreement does not have a “.1” or “.2” added to it, the Article or Letter applies to both HCWs and PSWs. Examples of the formatting are:

Article X applies to both;
Article X.1 applies to HCWs only; and,
Article X.2 applies to PSWs only.

ARTICLE 1 – PARTIES TO THE AGREEMENT

This Agreement is made and entered into at Salem, Oregon, pursuant to the provisions of the Oregon Revised Statutes, by and between the State of Oregon, through the Department of Administrative Services (DAS), and the Oregon Home Care Commission (OHCC), hereinafter referred to as the EMPLOYER, hereinafter collectively referred to as the STATE and the Service Employees International Union (SEIU) Local 503, OPEU, hereinafter referred to as the UNION and jointly hereinafter referred to as the PARTIES.

STATEMENT OF INTENT – Training

It is the intent of the Parties to maintain as well as expand the Home Care Commission's (HCC) Training Program.

One-million-one-hundred fifty thousand dollars (\$1,150,000) of the funds targeted for Homecare and Personal Support Worker compensation will be designated for use for the HCC to cover anticipated increased funding needs for worker stipends over the 2013-2015 biennium. This one-million- one-hundred fifty thousand dollars (\$1,150,000) shall be in addition to the up to two-hundred fifty thousand dollars (\$250,000) of new funding committed by DHS for stipends and the four-hundred fifty thousand dollars (\$450,000) already budgeted for the 2013-2015 biennium. All dollar figures are General Fund allocations.

The HCC intends to request that DHS pursue federal funding match wherever possible and may seek other funds, e.g., grants that might be available for training. Any amount received for training through federal funding match and/or other resources will be in addition to the funding specified above.
