PREAMBLE

Pursuant to the provisions of [RCW 41.06](#) and [41.80](#), this Agreement is made and entered into by the State of Washington, referred to as the “Employer,” and Teamsters Local Union No. 117, affiliated with the International Brotherhood of Teamsters referred to as the “Union.”

ARTICLE 1 NON-DISCRIMINATION

1.1 Policy Statement

Under this Agreement, neither party will discriminate against employees on the basis of age, sex, marital status, status as an honorably discharged veteran, disabled veteran or Vietnam era veteran, military status, race, sexual orientation, gender expression, gender identity, religious or political affiliation, creed, color, national origin, genetic information, or any real or perceived sensory, mental or physical disability. Bona fide occupational qualifications based on the above traits do not violate this Section. The parties agree that sexual harassment will not be tolerated within the workplace.

1.2 Review Processes Available to Employees

The Employer and the Union agree it is important that employees who feel they have been the subject of discrimination address these issues and seek resolution. Employees are encouraged to discuss such issues with their supervisor or other management staff, or file a letter of complaint or Internal Discrimination Complaint (IDC) within the Agency. In those cases where an employee files a grievance and an IDC regarding the alleged discrimination, the grievance process will be suspended until such time as the IDC investigation has been completed. Other avenues available to employees are through the Human Rights Commission (HRC), or the Equal Employment Opportunity Commission (EEOC). Employees who file an HRC or EEOC complaint will not initiate or pursue grievances over the discrimination allegation(s). If after filing a grievance an employee chooses to file a complaint with the HRC or EEOC, the grievance regarding the alleged discrimination will be considered withdrawn.

ARTICLE 2 UNION RECOGNITION, UNION SECURITY AND DUES DEDUCTION

2.1 Recognition

This Agreement covers the employees in the bargaining units described in Appendix A, entitled "Bargaining Units Represented by Teamsters Local Union No. 117", but it does not cover any statutorily excluded positions or any positions excluded in Appendix A. Job classifications and/or positions that have been historically included in the bargaining unit, that are created as a result of the expansion of an existing facility which is included within the bargaining unit, will be included in the bargaining unit.

2.2 Union Dues & Initiation Fees

When an employee provides written authorization to the Employer, the Union has the right to have deducted from the employee's salary, an amount equal to the initiation fee deducted in twenty-five dollar (\$25.00) increments per pay period, and Agency shop fees or dues required to be a member of the Union. Union dues

payroll deduction authorization cards submitted to the Employer and received by the payroll office by the tenth (10th) day of the month will have dues deducted beginning on the twenty-fifth (25th) pay date. Payroll deduction authorization cards submitted to the Employer and received by the payroll office by the twenty fifth (25th) day of the month will have dues deducted beginning on the tenth (10th) pay date of the next month.

2.3 Union Security

All employees covered by this Agreement, will as a condition of employment, either become and remain members of the Union and pay membership dues or, as non-members, pay a fee as described in Subsections A, B, and C below, no later than the thirtieth (30th) day following the effective date of this Agreement or the beginning of their employment.

- A. Employees who choose not to become Union members must pay to the Union an Agency shop fee equal to the amount required to be a member in good standing of the Union.
- B. An employee who does not join the Union based on bona fide religious tenets, or teachings of a church or religious body of which they are members, will make payments to a charitable organization mutually agreed to by the employee and the Union that are equal to its membership dues, less monthly Union insurance premiums, if any. The Employer is not responsible for collecting, processing or remitting these payments. Such employees will not be members of the Union, but are entitled to all of the representational rights of Union members.
- C. The Union will establish a procedure that any employee who makes a request may pay a representation fee equal to a pro rata share of collective bargaining expenses, rather than the full membership fee.
- D. The Employer will inform new, transferred, promoted, or demoted employees prior to appointment into positions included in the bargaining unit(s) of the Union's exclusive recognition and the Union security provision. The Employer will furnish the employees appointed into bargaining unit positions with a membership application and dues authorization form.
- E. If an employee fails to meet the conditions outlined above, with the exception of the initiation fee, the Union will notify the employee that if the delinquency is not cured within ten (10) days to the satisfaction of the Union, the Union will request the Employer to terminate the employment of the employee.

2.4 Dues Cancellation

An employee may cancel his/her payroll deduction of dues by written notice to the Employer and the Union. The cancellation will become effective on the

second payroll after receipt of the notice. However, the cancellation may cause the employee to be terminated. An employee leaving paid status should notify the Union and receive a withdrawal card for the duration of absence from paid status and/or the bargaining unit.

2.5 Indemnification

The Employer will be held harmless by the Union and employees for compliance with this Article and any issues related to the deduction of dues and fees. In all such cases, the Employer's reasonable attorney's fees will be paid by the Union.

2.6 Non-Discrimination

There will be no discrimination against any employee because of lawful Union membership activity or status, or non-membership activity or status.

2.7 New Employee Orientation Academy (NEO) and Correctional Worker Core Academy (CORE)

When new employee orientation academy classes are held, the Union will be allowed thirty (30) minutes of presentation time to speak to the class on matters concerning the rights of employees, responsibilities of the Union, and services available to the membership. The thirty (30) minute presentation will be scheduled as the first order of business of the day on which it is scheduled. The designated Business Representative will be notified of all new employee orientation academy classes, both custody and non-custody. The notice will be provided no later than fourteen (14) calendar days prior to the presentation date. Within seven (7) calendar days of such notice, the designated Business Representative will notify the local Appointing Authority or designee of the name of the individual(s) who will be responsible for the presentation. In those cases where a new employee orientation academy class is conducted at an institution, a Business Representative and/or local Shop Steward will be responsible for the presentation. The Shop Steward will experience no loss of salary nor will off-shift presentation time be considered as "time worked" for purposes of computing call back or overtime. In those cases where a new employee orientation academy class is conducted at a site other than an institution, a Business Representative will be responsible for the presentation.

2.8 Site-Specific Orientation

- O. Determine the method, technological means, number of resources and types of personnel by which work is performed by the Department; and
- P. Establish, allocate, reallocate or abolish positions, and determine the skills and abilities necessary to perform the duties of such positions.

The Employer's non-exercise of any right, prerogative or function will not be deemed a waiver of such right or establishment of a practice.

3.2 Union Contract Violations

In the event the Employer suspects a violation of the Collective Bargaining Agreement by any Union representative, the Employer may submit a written request to the Union for a formal review of the matter. The Union will respond in writing within twenty-one (21) calendar days of receipt of the request outlining the steps they have taken to resolve the concerns of the Employer.

ARTICLE 4 EMPLOYEE RIGHTS

4.1 Employee Liability

In the event an employee is subject to any legal action arising out of any actions taken or not taken by the employee in the performance of their duties, he/she has the right to request representation and indemnification through his/her Agency in accordance with [RCW 4.92.060](#) and [4.92.070](#) and Agency policy.

4.2 Privacy and Off-Duty Conduct

Employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington State, which includes those regarding the right to privacy in their personal life and activities. The Employer retains all of the Employer's rights to correct or discipline an employee for off-duty conduct, which has a nexus to their employment, subject to the just cause provision in [Article 8](#). Employees will be required to report all arrests, criminal citations, and any court-imposed sanctions or conditions that may affect their fitness for duty to their Appointing Authority or designee within twenty-four (24) hours or prior to their scheduled work shift, whichever occurs first.

4.3 Notification of Right to Representation

The employee may request Union representation prior to or during any meeting with management, that the employee believes may lead to corrective and/or disciplinary action.

ARTICLE 5 UNION/MANAGEMENT RELATIONS

5.1 Workplace Behavior

- A. The Employer and the Union agree that all employees should work in an environment that fosters mutual respect and professionalism. The parties agree that inappropriate behavior in the workplace does not further an Agency's business needs, employee well-being or productivity. All employees are responsible for contributing to such an environment and are expected to treat others with dignity and respect.
- B. Inappropriate workplace behavior by employees, supervisors and/or managers will not be tolerated. If an employee believes he or she has been subjected to inappropriate behavior, the employee, and/or the employee's Union representative, is encouraged to report this behavior to the employee's supervisor or the Human Resources Office.

5.2 Collective Bargaining Obligations

- A. The Employer will satisfy its collective bargaining obligation under law before changing a matter that is a mandatory subject of bargaining. The Union will submit its demand to bargain to OFM State Human Resources Labor Relations Section (LRS) using the email labor.relations@ofm.wa.gov with a copy to DOC Headquarters Labor Relations Office within twenty-one (21) days from receipt of notice of a change to a mandatory subject. The Union's demand to bargain will include dates of availability in order for a session to be held within twenty-one (21) days from LRS receipt of the demand to bargain.
- B. Agency Policies
The Employer agrees, prior to making any change in written Agency policy that is a mandatory subject of bargaining not otherwise covered by the Agreement, to notify the Union and satisfy its collective bargaining obligation.
- C. Release Time and Travel
The Employer will approve paid release time for up to three (3) employee representatives who are scheduled to work during the time negotiations are being conducted for the initial meeting only. When the bargaining matter affects more than one institution, the Employer may approve paid release time for one (1) employee representative from each affected facility. The Union will provide the DOC Headquarters Labor Relations Office with the names of employee representatives who will participate at least fourteen

(14) calendar days in advance of the date of bargaining in order to facilitate their release. No overtime, compensatory time or exchange time will be incurred by participating employees as a result of negotiations. The Union is responsible for paying any travel or per diem expenses of the employee representatives.

5.3 Labor Management Communication Committees

- A. Labor/Management Communication Committee(s) (LMCC) will be established at the statewide level and at each local institution. The purpose of the committee is to provide continuing communication between the parties and to promote constructive labor-management relations. The Committee(s) will meet, discuss and exchange information of a group nature and general interest to both parties.
- B. The Employer and Union will be responsible for the selection of their own representatives. All committee meetings will be scheduled on mutually acceptable dates and times. The Union will provide the Employer with the names of their committee members at least ten (10) calendar days in advance of the date of the meeting in order to facilitate the release of employees. Each party will provide the other with any topics for discussion seven (7) calendar days prior to the meeting.
- C. The Employer will release employee representatives to attend committee meetings. Employees attending committee meetings during their work time will have no loss in pay. Attendance at meetings during employees' non-work time will not be compensated for or considered as time worked. The Union is responsible for paying any travel or per diem expenses of employee representatives.

5.4 Committee Composition and Participation

- A. A statewide LMCC will be comprised of up to one (1) Agency representative and one (1) employee representative from each facility. Additional staff of the Union and SHR/LRS may also attend. If agreed to by the parties, additional representatives may be added. Committee meetings will be conducted annually unless agreed otherwise.

- B. Local LMCCs will consist of up to six (6) Agency representatives and up to six (6) DOC employed Union representatives per institution. Additional staff of the Union and the Employer may also attend. If agreed to by both parties, additional representatives may be added. Local LMCCs will be conducted quarterly unless agreed otherwise.

5.5 Scope of Authority

Committee meetings will be used for discussion only, and the committee will have no authority to conduct any negotiations, bargain collectively or modify any provision of this Agreement. Nothing in this Article, except Section 5.1 or any committees' activities will be subject to the grievance procedure in Article 9. Grievances related to Article 5.1 may be processed through Step 1 of the Panel grievance process. If not resolved, the Union may elevate the grievance to the Agency Head or designee for final review. Grievances related to Article 5.1 are not subject to pre-arbitration review meeting, mediation or arbitration.

**ARTICLE 6
UNION ACTIVITIES**

6.1 Use of State Facilities, Resources and Equipment

A. Meeting Space and Facilities

At institutions that have a muster, a Business Representative with one (1) days written notice to the Superintendent or Designee may present information a maximum of once per month for each shift. The presentation will begin five (5) minutes prior to muster and will not exceed ten (10) minutes in length. The Shift Commander reserves the right to terminate the presentation in order to complete the muster in a timely fashion. The Employer will make its offices and facilities available to the Union to hold meetings at mutually agreeable times with authorization of the Appointing Authority or designee.

B. Supplies and Equipment

The Union and its membership will not use state-purchased supplies or equipment to conduct Union business or representational activities, except as provided in Subsection C.

C. E-mail, Fax Machines, the Internet, Intranets, and Telephones

Shop Stewards may utilize state owned/operated equipment to communicate with the Union and/or Management for the exclusive purpose of administration of this Agreement. Such use will:

1. Result in little or no cost to the State;
2. Be brief in duration and frequency;
3. Not interfere with the performance of their official duties;

4. Not distract from the conduct of State business;
5. Not disrupt other State employees and will not obligate other employees to make a personal use of State resources;
6. Not compromise the security or integrity of State information or software; and
7. Not include the making of long distance telephone calls, except by the use of a personal calling card during a break.

Subject to the above limitations, members may also use the State e-mail system to make a brief initial contact with a Shop Steward, and/or the Union, regarding a matter relating to the application of this collective bargaining agreement. The Union, its members and its Shop Stewards will not use the above-referenced State equipment for Union organizing, internal Union business, advocating for or against the Union in an election or any other purpose prohibited by the Executive Ethics Board. Communication that occurs over state-owned equipment is the property of the Employer.

6.2 Union Bulletin Boards

In each facility or off-site office, the Employer will continue to provide bulletin board(s). The Union is permitted to use space adjacent to the bulletin boards for one (1) information folder. At the Union's option, the Employer provided bulletin board(s) may be replaced by a locked, covered bulletin board furnished by the Employer. The Union will reimburse the Agency for the cost of the bulletin board. Key access will be provided to the Superintendent. Material posted on bulletin boards or in the information folders will be the responsibility of the Union, will relate only to Union activities or issues, and will be appropriate to the workplace, politically non-partisan, in compliance with state ethics laws, and identified as Union literature. No Union materials will be posted on Employer property except on the assigned bulletin board space, or in the information folders.

6.3 Information Requests

All requests for information from the Agency by the Union will be submitted in writing. Requests will clearly identify what information is being sought and include the reason for the request. Requests will not normally extend more than twelve (12) months prior to the date of the request. Only the Secretary-Treasurer or designee from the Union will submit requests for information. Requests will be submitted to the DOC Headquarters Labor Relations Office, unless the context of the information request relates to a local issue at a single location. When the Union submits a request for information that the Employer believes is unclear or unreasonable, or which requires the creation or compilation of a report, the Employer will contact the Union and the parties will discuss the scope and costs

associated with the request and the amount the Union will pay for receipt of the information.

6.4 Annual Shop Steward Seminar

The Employer agrees to release six (6) Shop Stewards from each major facility and three (3) Shop Stewards from each stand-alone minimum facility for the Union's annual Shop Steward Seminar. The seminar will be conducted on a single day in March of each year, unless mutually agreed otherwise. The Union will give thirty (30) calendar days advance notice of the Shop Steward Seminar as well as identify the Shop Stewards to be released to the DOC Headquarters Labor Relations Office. The Employer will approve vacation leave, compensatory time, or leave without pay for Shop Stewards to attend the seminar and travel to and from the seminar. The Shop Steward and the Employer will mutually agree to the appropriate amount of travel time.

6.5 Employment with the Union

Employees will be granted leave without pay to participate in Union project activities of a specified duration upon request of the Secretary-Treasurer or designee, to the appropriate DOC Assistant Secretary, provided the employee's time off will not interfere with the operating needs of the work unit. The request will be submitted at least fourteen (14) calendar days in advance and cite the duration of the assignment. No more than one (1) Agency employee will be released from any facility/location at any given time. The employee will use vacation leave, compensatory time, or leave without pay for this purpose and will give thirty (30) calendar days advance notice of any scheduled activity request. At the beginning of the project, upon request, the employee will surrender all State issued items including his/her badge and uniforms to the Department and complete a "Report of Outside Employment" form.

ARTICLE 7 REPRESENTATIONAL ACTIVITIES

7.1 Shop Steward Representational Activities

Shop Stewards will be released during their normal working hours to attend meetings scheduled by Management within the Steward's institution/office for the following representational activities:

- A. Grievance meetings, including attempts at informal resolution;
- B. Investigatory interviews in accordance with [Article 8](#), Discipline;
- C. Employee performance evaluation conference(s); and/or
- D. Pre-disciplinary meetings.

Shop Stewards will experience no loss of salary for attendance at meetings conducted during their work hours. Attendance at meetings during the Shop Steward's non-work hours will not be considered as "time worked."

7.2 Authorized Work Time

Unless operating needs exist, Shop Stewards will be authorized work time during their normal working hours to represent employees as outlined in [Section 7.1](#) provided:

- A. The Shop Steward promptly notifies his/her supervisor of the need to be present at such meetings and receives approval;
- B. It is for a specified time period; and
- C. The Shop Steward is not working on a specific task that requires immediate attention.

For purposes of this Article, “operating needs” means circumstances where operational concerns of Management outweigh the necessity for immediate representation, such as emergencies, emergency exercises, lock downs, and disturbances. In such instances, every effort will be made to reschedule the meeting so that a Shop Steward may attend the meeting during the Shop Steward’s normal working hours. If the amount of time a Shop Steward spends performing representational responsibilities is affecting his/her ability to accomplish assigned duties, the Employer will notify the Union and the Union will take action to resolve the problem.

7.3 Identification of Business Representatives

The Union will provide the DOC Headquarters Labor Relations Office with a written list of current full-time and part-time Business Representatives and the institution(s)/office(s) for which they are primarily responsible. All Business Representatives will have background checks and fingerprint checks completed prior to being provided access. The Union will notify DOC Headquarters Labor Relations Office of any and all changes of Business Representatives within ten (10) calendar days of the change.

7.4 Identification of Shop Stewards

The Union will provide the local institution Human Resources Office with a written list of current Shop Stewards. The Union will notify the local institution Human Resources Office of any and all changes of Shop Stewards within ten (10) calendar days of the change. The Employer will not recognize an employee as a Shop Steward if his/her name does not appear on the list.

7.5 Meeting Notices

A copy of meeting notices for grievance meetings and pre-disciplinary meetings will be forwarded to the Union Headquarters office.

7.6 Steward’s Badge

Shop Stewards will be allowed to wear an identifying steward’s badge, provided by the Union, at all times while on the Employer’s premises.

7.7 Access Privileges

The Union agrees to remain cognizant of the needs of the institution at all times. All activities will be conducted in accordance with the security requirements of the institution. Except in an emergency, Business Representatives will be entitled to unescorted access to institutions/offices, following completion of a DOC institution specific security orientation under the following conditions:

- A. Prior to entering the institution/office, the Business Representative will notify the Appointing Authority or designee of areas being visited;
- B. Advance approval must be obtained from the Appointing Authority or designee to visit control booths, towers, segregation, intensive management units, mental health units, pharmacy and medication rooms;
- C. Business Representatives may meet and greet employees who are working but will not engage in prolonged discussions, distribute materials, or remove employees from their post; and
- D. Visits to institutions/offices by representatives of the International Union, or other Union officials may be allowed after discussion of the request between the Secretary-Treasurer and the Deputy Secretary or designee.
- E. A Business Representative may meet with bargaining unit employees in non-work areas during their meal periods, rest periods, and before and after their shifts.

ARTICLE 8 DISCIPLINE

8.1 Just Cause

The Employer will not discipline any permanent employee without just cause.

8.2 Forms of Discipline

Discipline includes oral and written reprimands, reductions in pay, suspensions, demotions and discharges.

8.3 Investigation Process

- A. The Employer has the authority to determine the method of conducting investigations, subject to the just cause standard.
- B. At the time the Appointing Authority assigns an investigator, an employee who is the subject of an investigation will be informed of the nature of the alleged misconduct unless it would compromise the integrity of the investigation.
- C. When the Department (or a consultant hired by the Department) interviews an employee and documents the conversation, the employee

will review his or her statement and submit corrections (if any) to the investigator. The employee will sign the statement to acknowledge its accuracy when no corrections are necessary or when the investigator revises the statement and accepts the employee's corrections. Investigations will be completed in a timely manner.

- D. Except in cases involving alleged criminal activity, the employee may contact Human Resources and will receive a progress report and the expected date that the investigation will be completed every thirty (30) days from the date the employee was notified of the investigation. The progress report will provide information specific to the investigation such as next steps and approximate timeframe for completion. However, when the employee is temporarily reassigned from his/her bid post pending the outcome of the investigation, the Appointing Authority will provide the employee with a progress report every thirty (30) days from the date of reassignment.
- E. A traditional element of just cause requires discipline to be imposed in a timely manner balancing the need for thorough investigations. Except for conditions outlines below, investigations will be completed no later than six (6) calendar months from the date the investigator was assigned. However, the employer may extend the investigation to a maximum of twelve (12) calendar months from the date the investigator was assigned provided the Employer gives written notice to the Union and the employee explaining the reason for the extension. The time limits provided in this section shall not apply when one (1) of the following occurs:
 - 1. The employee is unavailable or incapacitated;
 - 2. The Union or employee waives the timelines in writing;
 - 3. The investigation is conducted by an outside law enforcement Agency;
 - 4. The investigation involves a criminal matter; or
 - 5. The investigation requires coordination with another outside Agency or entity;
- F. The Appointing Authority determines when an investigation is complete. At the conclusion of the investigation, an employee who is the subject of an investigation will be informed of the findings in writing and receive, at the employee's request, one (1) free copy of the investigation through Public Disclosure unless a copy is provided in accordance with [Section 8.7](#). The copy will be redacted as required by applicable law.

8.4 Work Assignment

An employee accused of misconduct will not be removed from his/her existing work assignment unless there is a safety/security concern, including security issues due to any allegation that involves a conflict between staff.

8.5 Home Assignment

Any employee assigned to home as a result of a disciplinary investigation, and who would otherwise be available to work, will be placed and maintained on paid leave for the duration of the home assignment. Home assignment shall only be used when management determines the alleged misconduct is so serious in nature as to warrant the removal of the employee from work. The Appointing Authority shall state in writing the nature of the alleged misconduct supporting the Home Assignment.

8.6 Investigatory Interview

- A. At the beginning of the initial interview, the Employer will inform the employee of the nature of the allegation(s). Upon request, an employee has the right to a Union Representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. The role of the representative is to provide assistance and counsel to the employee. The exercise of rights in this Article must not interfere with the Employer's right to conduct the investigation.
- B. Employees have a duty to cooperate with a Department investigation and to answer all relevant and material questions which relate to their official duties or fitness for duty; provided, employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington State and this Collective Bargaining Agreement. Employees will answer all questions fully and honestly.
- C. Pursuant to an order by the Employer to answer and after providing the employee with his/her Garrity rights, employees that refuse to answer any questions relating to the performance of their official duties or fitness for duty may be subject to discipline, up to and including termination of employment.

8.7 Pre-Disciplinary Meeting

Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee of the reasons for the contemplated discipline, to include the potential policy violations and a description of the range of discipline being contemplated. The Employer will provide a copy of the pre-disciplinary notice and the investigation to the employee and the Union. Upon request, an employee may also have a Union representative of his or her choosing at a pre disciplinary

meeting, if held. If the requested representative is not reasonably available, the employee will select another representative who is available. The employee will be provided an opportunity to respond either at the meeting scheduled by the Employer, or in writing if the employee prefers.

8.8 Grievance Processing

Disciplinary action is subject to the grievance procedure set forth in [Section 9.2](#). Grievances relating to oral and written reprimands may be processed only through the Grievance Resolution Panel of the grievance procedure set forth in [Section 9.3](#) and are not subject to arbitration.

ARTICLE 9 GRIEVANCE PROCEDURE

9.1 Terms and Requirements

A. Grievance Definition

A grievance is an alleged violation of this Collective Bargaining Agreement. Grievances will be processed in accordance with the provisions of the Collective Bargaining Agreement in which the grievance was originally filed.

B. Filing a Grievance

The Union may file grievances on behalf of an employee or on behalf of a group of employees. Whenever possible, disputes should be resolved informally, at the lowest level. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

C. Computation of Time

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing. Service on the parties is complete when delivered in person; or upon receipt by electronic mail or by the postmarked date if sent by certified mail.

D. Failure to Meet Timelines

Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

1. Non-Panel Grievances: Grievances appealing an employee's disability separation or disciplinary action other than oral and written reprimands, and grievances challenging an employee's

permanent removal from their bid position. Reassignments in accordance with [Article 19, Bid System](#), are not considered discipline. A Non-Panel grievance must include the following:

- a. A statement of the pertinent facts surrounding the grievance;
 - b. The date upon which the employee received notification of the action taken;
 - c. A copy of the written notice of the action being grieved;
 - d. The requested remedy;
 - e. The name of the Business Representative or Shop Steward representing the grievant; and
 - f. Signature of the Business Representative or Shop Steward. A list naming all known affected employees must be attached prior to or at the Step 1 hearing. If the Union files a demand to arbitrate the grievance, the filing will list all affected employees.
2. Panel Grievances: For all grievances except those described in [Subsection 9.1.E.1](#) above, the written grievance must include the following information:
- a. A statement of the pertinent facts surrounding the grievance;
 - b. The date upon which the incident occurred;
 - c. The steps taken to informally resolve the grievance, the individuals involved in the attempted resolution, and the results of such discussion;
 - d. The requested remedy;
 - e. Name of the Business Representative or Shop Steward representing the grievant;
 - f. A specific description of how each cited alleged violation has occurred; and
 - g. Signature of the Business Representative or Shop Steward. A list naming all known affected employees must be attached prior to or at the Step 1 hearing. If the Union files

a demand to arbitrate the grievance the filing will list all affected employees.

- F. Requests for Clarification
The Employer will not be required to process a grievance until the information required by [Subsection 9.1.E](#) is provided. Grievances which do not meet the above conditions, or are otherwise unclear, may be identified by the Employer and referred back to the Union for clarification. The Union will provide written clarification to the Employer.
- G. Modifications
Alleged violations and/or the requested remedy may be modified only by written mutual agreement of the parties.
- H. Resolution
If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.
- I. Withdrawal
A grievance may be withdrawn at any time.
- J. Resubmission
If terminated, resolved or withdrawn, a grievance cannot be resubmitted.
- K. Group Grievances
No more than three (3) grievants will be permitted to attend a single grievance meeting.
- L. Consolidation
Either party may consolidate grievances arising out of the same set of facts.
- M. Bypass
Any of the steps in this grievance procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- N. Alternative Resolution Methods
During Step 2 of the grievance process, by mutual consent, the parties may use alternative methods to resolve a non-panel grievance. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

9.2 Non-Panel Grievance Processing

Non-Panel grievances will be processed as follows:

A. Filing

A grievance must be filed within twenty-one (21) days after the date the employee receives written notice of his/her disciplinary action or disability separation. For cases involving permanent removal from their bid position, the employee or representative will utilize this twenty-one (21) day period for attempting to informally bring about settlement with the manager that reassigned the employee.

B. Processing

Step 1: Initial Review. The Union may present a written grievance to the DOC Headquarters Labor Relations Office via electronic mail within the twenty-one (21) day period described above. The Agency Head or designee will meet or confer by telephone or electronic conferencing with a Business Representative and/or Shop Steward and the grievant within twenty-one (21) days of receipt of the grievance, and will respond in writing to the Union within twenty-one (21) days after the meeting.

Step 2: Pre-Arbitration Review Meeting (PARM). If the grievance is not resolved at Step 1, within fourteen (14) days of receipt of the Step 1 response, the Union may request a PARM in accordance with [Subsection 9.3 B](#). In addition to all other filing requirements, the request must include a copy of the grievance, all previous responses, and any supporting documents. If the parties agree, an alternative method to resolve the grievance may be used.

The proceedings of any PARM will not be reported or recorded in any manner, except for agreement that may be reached by the parties during the course of the meeting. Statements made by or to the mediator, or by or to any party or other participant in the meeting, may not later be introduced as evidence, may not be made known to an arbitrator or hearing examiner at a hearing, or may not be construed for any purpose as an admission against interest, unless they are independently admissible.

Step 3: Arbitration. If the grievance is not resolved at Step 2, the Union may file a demand for arbitration (with a copy of the grievance and response attached). The demand to arbitrate the dispute must be filed with the Federal Mediation and Conciliation Service (FMCS) with a copy to the OFM State Human Resources Labor Relations Section (LRS) at the email address labor.relations@ofm.wa.gov and the DOC Headquarters Labor Relations Office within fourteen (14) days of impasse at PARM.

9.3 Panel Grievance Processing

All panel grievances will be processed as follows:

A. Informal Resolution

A grievance must be filed within twenty-one (21) days after the date the alleged violation occurred, or the date the grievant became or should have

become aware of the issue giving rise to the grievance. The employee or representative will utilize this twenty-one (21) day period for attempting to informally bring about settlement. Attempts at informal resolution will at a minimum include discussions with a manager who has the authority to resolve the issue. The employee or representative will indicate that the discussion relates to an issue of a potential grievance.

B. Processing

Step 1: Grievance Filing and Initial Review. If an issue is not resolved informally, the Union may present the grievance, in writing, to the DOC Headquarters Labor Relations Office via electronic mail within the twenty-one (21) day period described above. The timeframes for hearing the grievance at Step 1 will begin on the first day the local Human Resources Office is open. The Appointing Authority or designee will meet with a Business Representative and/or Shop Steward and the grievant within twenty-one (21) days of receipt of the grievance, and will respond in writing to the Union within fourteen (14) days after the meeting.

Step 2: Grievance Resolution Panel. Within fourteen (14) days of receiving the Step 1 decision, the Union may move the grievance to the Grievance Resolution Panel referenced in [Article 10](#) (“Panel”). The request will be sent to DOC Headquarters Labor Relations Office and must include:

1. A copy of the grievance;
2. A copy of the Step 1 response; and
3. The reason(s) the Step 1 response is unacceptable.

Any majority decision rendered by the Grievance Resolution Panel is final and binding on all parties to the case. If the panel is unable to reach a joint decision on the grievance, except those related to oral and written reprimands, the Union may file a demand to arbitrate the dispute.

Step 3: Pre-Arbitration Review Meeting (PARM). If the grievance is not resolved at Step 2, the Union may file a demand for arbitration (with a copy of the grievance, Step 1 response and GRP decision attached). It will be filed with the OFM State Human Resources Labor Relations Section (LRS) at the email address labor.relations@ofm.wa.gov and the DOC Headquarters Labor Relations Office within fourteen (14) days of the Grievance Resolution Panel hearing. Within fourteen (14) days of the receipt of all of the required information, the LRS will either:

1. Schedule a telephonic PARM or if mutually agreed upon by the parties hold a pre-arbitration review meeting in person with the LRS, an Agency representative, and the Union’s Business Representative to review and attempt to settle the dispute.

or

2. Notify the Union in writing that no PARM will be scheduled.

The proceedings of any PARM will not be reported or recorded in any manner, except for agreements that may be reached by the parties during the course of the meeting. Statements made by or to any party or other participant in the meeting may not later be introduced as evidence, may not be made known to an arbitrator or hearings examiner at a hearing, or may not be construed for any purpose as an admission against interest, unless they are independently admissible.

Step 4: Arbitration. If the grievance is not resolved at Step 3 or the OFM/LRS Assistant Director or designee notifies the Union in writing that no PARM will be scheduled, the Union may file a demand for arbitration. The demand to arbitrate the dispute must be filed with the FMCS within fourteen (14) days of the PARM or receipt of the notice that no PARM will be scheduled.

9.4 Arbitrator Selection

The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the FMCS unless they otherwise agree in writing.

9.5 Authority of the Arbitrator

The arbitrator will have the authority to interpret the provisions of this Agreement to the extent necessary to render a decision on the case being heard. The arbitrator will have no authority to add to, subtract from, or modify any of the provisions of this Agreement, nor will the arbitrator make any decision that would result in a violation of this Agreement. The arbitrator will be limited in his/her decision to the grievance issue(s) set forth in the original grievance unless the parties agree to modify it. The arbitrator will not have the authority to make any award that provides an employee with compensation greater than would have resulted had there been no violation of the Agreement. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

9.6 Arbitration Costs

The expenses and fees of the arbitrator, and the cost (if any) of the hearing room will be shared equally by the parties. If the arbitration hearing is postponed or cancelled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or

cancellations will be shared equally by the parties. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half (1/2) of the costs of the court reporting fee, the original transcript and the arbitrator's copy. Each party is responsible for the costs of its attorneys, representatives and witnesses, and all other costs related to the development and presentation of their case. Grievants, Shop Stewards, and their witnesses will not be paid for preparation for travel to or from, or participation in arbitration hearings, but may use leave for such activities.

9.7 Scheduling and Leave Time

A. Step 1 Grievance Meetings

The Employer has discretion in scheduling Step 1 grievance meetings, provided that seventy-two (72) hours' notice will be provided to the grievant and his/her representative prior to the date and time of the meeting. For panel grievances, every effort will be made to schedule the meeting during the grievant's normal working hours. Grievance meetings held during off-duty hours of the grievant and/or representative will not be compensated.

B. Grievance Resolution Panel Meetings, Mediations and Arbitrations

If an arbitrator sustains the grievance in whole or in part, leave taken by the grievant to attend GRP, mediation, and/or arbitration will be restored.

C. Attendance at Meetings/Hearings

Unless there is an emergent reason, failure by the Union or the grievant to attend and participate in a scheduled grievance meeting will constitute waiver of the grievance.

ARTICLE 10 GRIEVANCE RESOLUTION PANEL

10.1 Authority of the Panel

The Employer and the Union will continue to maintain a permanent committee for the resolution of grievances, referred to as the Grievance Resolution Panel ("the Panel"). The Panel will have the authority to interpret the provisions of this Agreement, only to the extent that the interpretation is necessary to render a decision on the case being heard. The Panel will not have the authority to contradict, add to, subtract from, or otherwise modify the terms and conditions of this Agreement.

10.2 Panel Membership

The Panel will consist of three (3) Employer Panel members appointed by the Employer who have the authority to resolve the grievances, and three (3) Union Panel members appointed by the Union who have the authority to resolve the grievances. If the case involves an institution or facility that a Business Representative has been appointed to represent, or at which a Shop Steward is employed, the representative may not serve as a Panel member during the hearing of that case. If the case involves an institution or facility where an Employer representative is employed/located, the Employer representative may not serve as a Panel member during the hearing of the case.

10.3 Panel Chairpersons

The Employer will select one (1) of its members to act as Panel Co-Chairperson, and the Union will select one (1) of its members to act as Panel Co-Chairperson.

10.5 Panel Meetings

The meetings of the Panel will be held at least two (2) days monthly and with sufficient frequency to allow for prompt resolution of the grievance caseload. The dates, times, and locations of Panel meetings will be determined by agreement of the Co-Chairpersons. If the Panel:

- A. Is able to reach a decision on the objection, the Business Representative and the grievant will be notified of the decision. The decision will be considered final and binding on the parties.
- B. Is unable to reach a decision on the objection, the Panel may choose to hear the grievance on its merits. If the Panel chooses to hear the grievance, this does not preclude either party from raising the objection at further steps of the grievance procedure. The grievance will be heard at the next regularly scheduled Panel hearing.

10.10 Case Presentation

Representatives may make opening statements, present evidence supporting specific alleged violations, and present a closing argument. Eight (8) copies of all written material and exhibits to be presented to the Panel must be provided to the Panel and the other party. 10.11 Executive Session and Decision

After completion of case presentation, Panel members will go into executive session. Only Panel members may be present during such sessions, and only the Panel members may participate in the deliberation. Panel members may take a caucus and consult with participants and representatives at any time. During executive session, Panel members will discuss the case and render a decision. If the Panel determines that further information is necessary in order to render a decision, the hearing will be reconvened. After a decision has been reached, all interested parties will be called into the hearing room and advised of the decision. The Employer will determine whether a trial service period will be required for each level of the in-training appointment, or whether there will be a single trial service period. If there will be a single trial service period for an in training appointment involving more than one (1) level, the Employer will determine the length of the trial service period. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status upon successful completion of the training program at each level. - b. Classification Counselors;
- c. Correctional Mental Health Counselors;
- d. Sex Offender Treatment Specialists; and
- e. All Health Services classifications.

All other newly hired employees will serve a six (6) month probationary period.

2. Calculation of Probationary Period
The probationary period will begin on the first day of an employee's probationary appointment. An employee who transfers or is promoted prior to completing his/her initial probationary period will serve a new probationary period. The Appointing Authority may grant day-for-day credit for time already served in probationary status.
3. Non-Permanent Appointments
If an employee in a non-permanent appointment is subsequently appointed permanently to the same or similar position, the Employer may count time worked in the non-permanent appointment towards the probationary period for the permanent position.
4. Extension of Probationary Period
The Employer may extend an employee's probationary period on a day-for-day basis for any day(s) that the employee is on leave without pay, or shared leave except for leave taken for military service. The Employer may extend an employee's probationary period up to ninety (90) days for documented training requirements, performance issues or misconduct. If the Employer extends an employee's probationary period, the Employer will provide the reason for the extension in writing to the employee.
5. Separation
The Employer may separate a probationary employee at any time during the probationary period. The Employer will provide the employee five (5) working days written notice prior to the effective date of the separation. However, if the Employer fails to provide five (5) working days' notice, the separation will stand and the employee will be entitled to payment of salary for five (5) working days, which time the employee would have worked had notice been given. Five (5) working day notice deficiencies will not result in an employee gaining permanent status.
6. Separation Review
The separation of a probationary employee will not be subject to the grievance procedure in [Article 9](#). However, the employee may request and will receive a review of the separation by the Secretary or designee. The review request must be submitted to the DOC Headquarters Labor Relations Office within fourteen (14) calendar days from the effective date of the written separation notice. This request, however, will not act as a suspension of the designated separation date.

B. Trial Service Period

1. Length of Trial Service Period

Except for those employees in an in-training appointment, all employees with permanent status who are promoted, or who voluntarily accepts a transfer or demotion into a job classification for which they have not previously obtained permanent status, will serve a trial service period of six (6) consecutive months.

2. Calculation of Trial Service Period

The trial service period will begin on the first day of an employee's trial service appointment. An employee who transfers or is promoted prior to completing his/her trial service period will serve a new trial service period. The Appointing Authority may grant day-for-day credit for time already served in trial service status.

3. Non-Permanent Appointments

If an employee in a non-permanent appointment is subsequently appointed permanently to the same or similar position, the Employer may count time worked in the non-permanent appointment towards the trial service period for the permanent position.

4. Extension of Trial Service Period

An employee serving a trial service period will have his/her trial service period extended, on a day-for-day basis for any day(s) that the employee is on leave without pay, or shared leave, except for leave taken for military service. The Employer may extend the trial service to no more than twelve (12) consecutive months due to specific documented training requirements, performance issues, or misconduct. If the Employer extends an employee's trial service period, the Employer will provide the reason for extension in writing to the employee.

5. Reversion Rights

An employee serving a trial service period may voluntarily revert at any time or the Employer, with one (1) working day's written notice, may revert an employee who does not successfully complete his/her trial service period. The Employer will provide seven (7) calendar days written notice if the employee is reverted to a different institution or regional office. Reversion will be to a funded permanent position within the Agency that is:

- a. Vacant or filled by a non-permanent employee and is within the employee's previously held permanent job classification.

- b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will be determined by the Employer using the order listed above. In both Subsections a and b above, the Employer will determine the position the employee may revert to and the employee must have the skills and abilities required for the position. Pursuant to [Article 19](#), Bid System, reverted employees will be permitted to exercise any bid rights they may have in the classification to which they are reverted. An employee who has no reversion options or does not revert to the highest classification in which he/she previously attained permanent status may request that his/her name be placed on the Agency's internal layoff list and into the General Government Transition Pool Program for positions in job classifications where he/she had previously attained permanent status.

6. Reversion Review

The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in [Article 9](#). However, any trial service employee notified of an involuntary reversion may request and will receive a review of the reversion by the Secretary or designee. The review request must be submitted to the DOC Headquarters Labor Relations Office within fourteen (14) calendar days from the effective date of the written reversion notice. This request, however, will not act as a suspension of the designated reversion date.

15.8 Withdrawal Rights

Permanent employees have the right to withdraw a resignation or a notice of transfer, promotion and/or demotion to another region/institution or another state Agency by submitting a written notice of such withdrawal at any time within seventy-two (72) hours (excluding Sundays and holidays) after submission of the notice. The Appointing Authority thereafter may accept a withdrawal of any such notice at any time prior to the effective date. Employees who resign following a pre-disciplinary meeting may not withdraw their resignations.

15.9 Outside Employment

Employees may engage in off-duty employment provided that the employee has submitted a written request to the Appointing Authority and approval has been granted prior to engaging in such employment. The employee will normally be notified in writing within twenty-one (21) calendar days of their submission of the approval, denial or status of the request.

Approval will be granted if the employment does not:

- A. Utilize Employer resources;
- B. Create undue financial obligations for the Employer;
- C. Interfere with proper performance of assigned duties; or
- D. Create a conflict of interest.

16.2 Determination

The Employer will determine whether a position is scheduled work period, non-scheduled work period or overtime-exempt, except as provided in [Article 17.3](#) and [17.4](#).

16.3 Scheduled Work Period Employees

A. Regular Work Schedules

The regular work shift for scheduled work period employees will consist of either:

1. Five (5) consecutive uniform work shifts of not more than eight (8) consecutive hours of work (excluding any meal period) in a twenty-four (24) hour period followed by two (2) consecutive days off;
2. Four (4) consecutive uniform work shifts of not more than ten (10) consecutive hours of work (excluding any meal period) followed by three (3) consecutive days off;

Or

3. A work shift pattern composed of not more than twelve (12) consecutive hours of work (excluding any unpaid meal period) arranged in consecutive uniform work shifts followed by three (3) or four (4) consecutive days off (alternating every other week). This section shall only apply to new units that are not opening in conjunction with or contemplation of a closure of another unit. The vacant positions will be filled in accordance with Article 19.

B. Alternate Work Schedules

Alternative work schedules must comply with federal and state laws. Alternate work schedules constitute all schedules other than schedules

listed in [Subsection 16.3](#) A and schedules for overtime eligible nurses of not more than eighty (80) hours within a fourteen (14) day work period.

1. The Employer and Union agree this Section allows for the establishment of alternative work schedules by mutual agreement between the Appointing Authority and the employee(s) requesting the alternate work schedule. If a request is approved, the Employer will notify the Union at least seven (7) days in advance of the effective date of the new schedule.
2. By mutual agreement, the Employer and the Union may also establish alternate work schedules. Requests and responses shall be in writing.

C. Employer Initiated Schedule Changes

1. The Employer will provide scheduled work period employees with seven (7) calendar days' notice of a shift and/or days off change unless the change is at the written request of the employee.
 - a. If the Employer changes the assigned hours or days of scheduled work period employees without giving them at least seven (7) calendar days notice of the change, employees will be paid for all time worked outside the scheduled hours or days at the overtime rate for the duration of the notice period.
 - b. When changes in employees' assigned hours or days are made without proper notice, employees may work their scheduled hours or days unless the Employer deems that:
 - i. The employees are unable to perform satisfactorily as the result of excessive overtime hours; or
 - ii. The work that normally would have been performed within the scheduled hours or days cannot be performed.
 - c. The Employer is not obligated to pay for those scheduled hours or days not worked, unless the employee is on an authorized leave of absence with pay.
 - d. Overtime pay and shift or schedule change pay will not be paid for the same incident.
 - e. Employees who receive shift change notices to attend training will be provided at least eight (8) hours off-duty between the end of shift and the start of their next scheduled shift, unless mutually agreed otherwise.

- D. Emergency Schedule Changes
In the event of an emergency, such as fire duty, riots, etc., contingency scheduling in accordance with [Article 18](#), Extended Duty Assignments, will apply.
- E. Employee-Requested Schedule Changes
Scheduled work period employees' workweek and work schedule may be changed at the employee's request and with the Employer's approval, provided the Employer's business and customer service needs are met.

16.4 Non-Scheduled Work Period Classifications

Conditions of employment may necessitate adjustment of hours by such employees within forty (40) working hours within the workweek. Non-scheduled work period employees are expected to observe normal working hours unless work requirements call for varying the schedule to complete duties within the forty (40) hour workweek as agreed to by the supervisor prior to deviation from the normal work hours.

16.5 Overtime-Exempt Employees

Overtime-exempt employees are not covered by federal or state overtime laws. Compensation is based on the premise that overtime-exempt employees are expected to work as many hours as necessary to provide the public services for which they were hired. These employees are accountable for their work product, and for meeting the objectives of the Agency. The Employer's policy for all overtime-exempt employees is as follows:

- A. The Employer determines the products, services, and standards, which must be met by overtime-exempt employees.
- B. Overtime-exempt employees are expected to work as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. Overtime-exempt employees may be required to work specific hours to provide services, when deemed necessary by the Employer.
- C. The salary paid to overtime-exempt employees is full compensation for all hours worked.
- D. Employees will notify their supervisors when they adjust their work hours to accommodate the appropriate balance between extended work time and offsetting time off. Where such flexibility does not occur or does not achieve the appropriate balance, and with approval of the Appointing Authority or designee, overtime-exempt employees may accrue exchange time for working in excess of forty-five (45) hours in a workweek. Such approval will not be arbitrarily withheld. Exchange time may be accrued at straight time to a maximum of one hundred twenty (120) hours. Exchange

time has no cash value and cannot be transferred between facilities or other agencies.

- E. If they give notification and receive the Employer's concurrence, overtime-exempt employees may alter their work hours. Employees are responsible for keeping management apprised of their schedules and their whereabouts.
- F. Prior approval from the Employer for the use of paid or unpaid leave for absences of two (2) or more hours is required, except for unanticipated sick leave.

16.6 Scheduled Days Off

Except in cases of emergency, no employee will be required to return to his/her place of employment on his/her scheduled day off.

16.7 Shift Exchange

The Employer and the Union agree that shift exchanges are a useful process to allow employees more flexibility and improved work/life balance. Employees within an institution who have the same job classification will be allowed to exchange full shifts for positions in which they are qualified. The shift exchange process will not be used to circumvent the bid system or the supervisory chain of command. Shift exchanges will be in accordance with the following:

- A. Request for shift exchanges will be submitted seven (7) calendar days in advance of the exchange, when practicable.
- B. Requests for shift exchanges will be considered on a case-by-case basis. The requested shift exchange is voluntary, and is agreed to in writing by both employees, and approved in writing by the supervisor(s). Requests for shift exchanges will be submitted to the appropriate Appointing Authority or designee for approval.
- C. Shift exchanges may be denied. If denied, the employee will be provided the reason(s) in writing.
- D. Employees will not submit requests for shift exchanges which would result in overtime. Each employee will be considered to have worked his/her regular schedule.
- E. For shift exchanges that occur on an employee's designated holiday, the employee who is regularly scheduled to work on that holiday will receive the holiday compensation, regardless of who physically worked on that day.
- F. The failure of an employee who has exchanged shifts to work the agreed upon shift without appropriate cause may be a basis for disciplinary action.

16.8 Hours of Work for Scheduled Work Period Employees

A. Shift Start

The shift will start at the beginning of the employee's scheduled hours of work at the location designated by Management, provided that the location designated by Management will not require the employee to perform work related activities (including attendance, chit or equipment exchange, or pass-down) prior to the shift start time.

B. Scheduled Work Period Employees' Unpaid Meal Periods

The Employer and the Union agree to unpaid meal periods that vary from and supersede the unpaid meal period requirements required by [WAC 296-126-092](#). Unpaid meal periods for employees working more than five (5) consecutive hours, if entitled, will be a minimum of thirty (30) minutes and will be scheduled between the second (2nd) and fifth (5th) hour of the shift at a time designated by the Employer. (For employees on a ten and one-half [10½] hour shift, the lunch period will be scheduled between the third [3rd] and sixth [6th] hour of the shift at a time designated by the Employer). Employees may leave the facility during the unpaid meal period via authorized routes. Employees who pass through master control will be allowed a brief amount of duty time to get from their post to master control and to return to their post from master control. Employees may be assigned duties to perform during this time. If the Employer requires an employee to maintain radio, phone, or pager contact during the unpaid meal period, the employee will be in standby status.

C. Interrupted Unpaid Meal Period

When an employee's unpaid meal period is interrupted by a directive from a supervisor to perform any work related activity, or the employee responds to an emergency consistent with Emergency Response procedures, the employee may be entitled to receive another thirty (30) minute meal period, if that meal period can be initiated no later than the fifth (5th) hour of the shift. (Sixth [6th] hour in the case of employees on the ten and one-half [10½] hour shift.) In the event an employee is unable to complete the unpaid meal period, due to operational necessity, the employee will be entitled to compensation for the entire thirty (30) minute meal period. Meal periods may not be used for late arrival or early departure from work and meal and rest periods will not be combined.

D. Double Shifts and Meal Periods

When an employee works a double shift, the Employer will not require the employee to take an unpaid meal period during the additional shift. Employees will be permitted to eat intermittently as time allows during their shift while remaining on duty.

E. Scheduled Work Period Employee Paid Meal Periods for Straight Shift Schedules

The Employer and the Union agree to paid meal periods that vary from and supersede the paid meal period requirements of [WAC 296-126-092](#). Employees working straight shifts will not receive a paid meal period, but will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Paid meal periods for employees on straight shifts do not require relief from duty.

F. Scheduled Work Period Employee Rest Periods

The Employer and the Union agree to rest periods that vary from and supersede the rest periods required by [WAC 296-126-092](#). Employees will be allowed rest periods of ten (10) minutes for each one-half (1/2) shift of four (4) or more hours worked at or near the middle of each one half (1/2) shift of four (4) or more hours. Rest periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to ten (10) minutes for each one half (1/2) shift, scheduled rest periods are not required. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

ARTICLE 17 OVERTIME

17.1 Determination and Assignment of Overtime

A. Right to Assign

The Employer has the right to require an employee to work overtime. When the Employer determines that overtime is necessary and determines to assign such overtime to a bargaining unit employee, the Employer will:

1. Identify the job classification to be assigned the overtime, the number of positions requiring overtime, the specific post assignments and the anticipated duration of the overtime.
2. Assign overtime as voluntary or mandatory, as set forth in this Article.

B. Eligibility for Voluntary Overtime

All employees will be eligible to sign-up for voluntary overtime except those:

1. Who are on reassignment to home;
2. As otherwise provided in this Article.

Employees are responsible for accurately reporting their eligibility for voluntary overtime.

C. Voluntary Sign-up List

Voluntary overtime will be assigned utilizing voluntary overtime sign-up lists.

1. A voluntary overtime sign-up list for each day and each shift for an entire month will be posted by the fifteenth (15th) of the preceding month for each job classification.
2. Each list will have a column for employee name, time and date of sign up, seniority date, scheduled shift and days off, work extension telephone number, and a column that allows volunteering employees to remove their name from the list. The volunteering employee must complete all columns on the sign up list. The employee may not specify the post(s) they are available or not available to work overtime.
3. Employees may add or remove their name from the list in person, by radio, telephonically, or by initialing the appropriate column.
4. Four (4) hours prior to the start of the shift requiring overtime, the sign-up list will be pulled and no further additions or deletions will be made.

D. Assignment of Voluntary Overtime

1. The Employer may fill vacancies from the voluntary overtime sign-up list up to two (2) weeks in advance.
2. Overtime assignments will be offered to employees from the voluntary sign-up list based on seniority date.
3. Volunteers may select any position available, but on-duty employees who have signed up on the voluntary sign-up list for the next scheduled shift may not refuse an assignment of overtime, unless the anticipated duration is less than one (1) work shift.
4. In the event that the most senior employee is not on duty and cannot be reached, i.e., no answer, when assignments are being offered, the next employee in descending seniority order will be contacted. A good faith effort must be made and documented to contact volunteers in a timely manner to ensure they have enough time to arrive at work in advance of the overtime shift or to inform them that the prescheduled overtime is no longer available.
5. Once an employee accepts an overtime assignment the employee may not refuse the overtime. The Employer will document on the sign-up list the date and time each assignment was accepted.

6. Telephone calls placed to employees who are off duty and who have volunteered to work overtime will not be considered as time worked. Employees that are assigned to work overtime as a result of signing up on the volunteer sign-up list will not be entitled to call back compensation.
7. If an overtime assignment is later unavailable because the position has been filled or cancelled, the employee volunteering for such prescheduled overtime may decline a different overtime assignment.
8. An off-duty employee reporting for prescheduled overtime that is no longer available will be allowed to (in order): choose another vacant overtime assignment; work two (2) hours in an extra post determined by the supervisor or Shift Commander, or decline a different assignment and forego any compensation. However, an off-duty employee reporting for prescheduled overtime contiguous to the beginning of their regular work shift that is no longer available will be allowed to (in order); choose another vacant overtime assignment; work an extra post as determined by the supervisor or Shift Commander until their regular shift starts; or decline a different assignment and forego any compensation. This Subsection applies when there was no good faith effort made and documented to contact the volunteer that the overtime was cancelled.

E. All Call

After the voluntary sign-up list has been exhausted and prior to the assignment of mandatory overtime, the Employer will solicit volunteers who are already on duty (“All Call”). If more than one (1) employee responds to an All Call, the Employer will offer all available posts on a first-come, first-served basis. If there are still insufficient volunteers after the All Call, Management may assign mandatory overtime.

F. Mandatory Overtime

1. When mandatory overtime is required, it will be assigned to employees on duty in inverse order of seniority. Employees will be allowed to select from any position available at the time of assignment for which they qualify. However, employees will not be required to work mandatory overtime unless the work is contiguous to the end of the employee’s normal shift.
2. In those cases where two (2) or more employees are assigned to mandatory overtime and qualified relief becomes available, the employee with the greatest seniority will normally be provided the first opportunity to be relieved from duty.

3. An employee will only be subjected to one (1) mandatory overtime per cycle. The inverse order will be re-established when the list has been exhausted (senior employee on duty has satisfied his/her requirement to work mandatory overtime and additional overtime is necessary) or at the beginning of each month, whichever occurs first. Except as expressly provided in [Subsections 17.1.G.6](#) and [17.1.H](#), there will be no carryover of missed mandatory overtimes into a new cycle.
4. Upon request, shift rosters indicating mandatory overtime assignments will be available for review by the Union. Upon request, an employee who believes they were improperly assigned mandatory overtime may request the shift roster for a specific date and shift.
5. The Department will work with an employee to ensure a ride home if assigned mandatory overtime and the employee has missed his/her car/vanpool ride home.

G. Exemptions from Mandatory Overtime

Except in an emergency, an employee will be exempt from mandatory overtime under the following conditions:

1. An employee on duty for his/her last remaining shift before approved scheduled leave provided the employee has met the notification and approval requirements of the applicable leave article(s).
2. An employee has worked two (2) consecutive days of overtime (mandatory, voluntary, or a combination of the two [2]). A day of overtime will be considered two (2) hours or more.
3. An employee assigned to work mandatory overtime will be excused from any remaining part of the assignment if the employee finds a qualified substitute. A mandatory overtime shift can only be split between two (2) employees. If the qualified substitute is coming from home, they will not be eligible for callback pay. The substitution will be without regard to seniority and will count as the substitute's mandatory overtime requirement for that cycle, provided the substitute works two (2) hours or more. The oncoming substitute must report to the supervisor or Shift Commander when reporting for duty.
4. An employee who has volunteered and worked an overtime shift of two (2) hours or more and/or worked two (2) hours or more prior to or following the end of his/her shift during the current cycle.

5. An employee who has a medical condition that is documented in writing by a Physician, Physician Assistant, Advanced Registered Nurse Practitioner or Licensed Mental Health professional which specifically precludes him or her from working beyond his/her regularly scheduled shift and whose medical restrictions are for a period of sixty (60) calendar days or less. Extensions of exemption due to a medical condition can be requested by the employee and may be approved by the Appointing Authority, upon receipt of medical documentation, on a case-by-case basis.
6. A one (1) day exemption from mandatory overtime, up to three (3) times per calendar year., The employee will immediately provide written notice to their shift commander/supervisor for each exemption. The affected employee will be the first to be called when mandatory overtime is required and the employee is on a scheduled workday, irrespective of whether the inverse seniority list has been reestablished due to the start of a new month or it has been exhausted. Each facility will maintain a system to track the three (3) exemptions.
7. If an employee has not had any unscheduled absences in the past calendar quarter, they may claim an exemption from any mandatory overtime in the next calendar quarter. Only one (1) exemption can be earned for each calendar quarter with no unscheduled absence. Exemptions expire one (1) year from the date of issue.

H. Failure to Work or Continue to Work Mandatory Overtime

An employee who reports him or herself or a family member ill and is unable to work or to continue to work mandatory overtime will be the first to be called when mandatory overtime is required and the employee is on a scheduled workday, irrespective of whether the inverse seniority list has been reestablished due to the start of a new month or it has been exhausted.

I. Ability to Deny Overtime Assignment

The supervisor responsible for assigning overtime may deny a request by an employee to work voluntary or mandatory overtime, under the following circumstances:

1. The employee does not have the current qualifications or certifications to carry out the duties of the position requiring the overtime; or
2. For reasons that, if allowed, a violation of this Agreement would occur.

J. Maximum Overtime

1. Except in an emergency, an employee may not be compelled or allowed to work more than sixteen (16) hours plus any worked meal periods in a twenty-four (24) hour period. After working more than sixteen (16) consecutive hours of work in a twenty-four (24) hour period (not including any meal periods worked at the employee's choice), employees will be allowed a rest period of at least ten (10) hours off. If the ten (10) hours off overlap the employee's regular shift, up to four (4) hours of such an overlap will be administrative leave.
2. Subject to the provisions of this Agreement, there shall be no limit on the amount of consecutive days of voluntary overtime an employee may work.

K. Telephone Contact

Employees who are required to work beyond their regular quitting time will be allowed to telephonically communicate (within thirty [30] minutes of notice) the need for overtime to affected individuals, except in the case of emergency.

L. On-Call Employees

The Employer may assign work to on-call employees prior to assigning overtime.

17.2 Determination and Assignment of Overtime

The provisions of [Section 17.1](#) above, do not apply to employees outside of custody, Closed Loop and Institution food service, and medical. Licensed nurses overtime assignments will be in accordance with Appendix I. With respect to all other employees, the Employer will review qualifications and/or case familiarity in making overtime assignments. If qualifications and/or case familiarity are substantially equal, overtime will be offered in order of seniority and mandated by inverse seniority. Except in an emergency situation, an employee will not work overtime without prior authorization from the Employer.

17.3 Overtime Compensation for Positions Designated as Scheduled Work Period

- A. Unless the Employer and the Union agree to change a position to non-scheduled or overtime-exempt, payment for overtime at the rate of time and one-half will be paid for all employees who are working in a position designated as of June 30, 2017 as scheduled work period under any of the following conditions:
1. All work on holidays. Employees required to work a holiday will have the choice of receiving payment or compensatory time accrual and will notify their supervisor of that choice prior to working the holiday overtime.

2. All work required in excess of eight (8) hours in any workday, if the employee is working an eight (8) hour shift. If the employee is working more than an eight (8) hour shift, all work in excess of the employee's regularly scheduled shift.
 3. All work required in excess of forty (40) hours in any workweek.
 4. All work required before and/or after any scheduled work shift.
 5. All time required outside the regular working hours for travel on Agency business, unless scheduled at the convenience of the employee.
 6. All work on a regularly scheduled day off.
- B. An employee may elect to be compensated for overtime hours worked in the form of cash or compensatory time off. Approval to use compensatory time off is not automatic, must be approved in advance, and will be contingent upon the availability of a relief employee(s). Relief may be defined as including authorized on-call employees. Compensatory time will not be used in lieu of sick leave, unless approved in advance by the Appointing Authority.
- C. Overtime will be paid in one-tenth (1/10th) increments, except as specifically provided in [Article 16](#), Hours of Work.

17.4 Overtime Compensation for Positions Designated as Non-Scheduled Work Period

- A. Unless the Employer and the Union agree to change a position to scheduled or overtime-exempt, payment for overtime at the rate of time and one-half will be paid for all employees who are working in a position designated on June 30, 2017 as being a non-scheduled work period under any overtime condition including the following:
1. All work on holidays. Employees required to work a holiday will have the choice of receiving payment or compensatory time and will notify their supervisor of that choice prior to working the holiday overtime.
 2. All work required in excess of forty (40) hours in any workweek.
 3. All time required for travel on Agency business in excess of forty (40) hours in any workweek, unless scheduled at the convenience of the employee.
- B. An employee may elect to be compensated for overtime hours worked in the form of cash or compensatory time off. Approval to use compensatory work time off is not automatic, must be approved in advance of the

absence, and will be contingent upon the availability of relief employee(s). Relief may be defined as including authorized on-call employees. Compensatory time will not be used in lieu of sick leave unless approved in advance by the Appointing Authority.

Overtime will be paid in one-tenth (1/10th) increments, except as specifically provided for in [Article 16](#), Hours of Work.

17.5 Compensatory Time

All Correctional Officers and Correctional Sergeants will be entitled to accrue up to four hundred eighty (480) hours of compensatory time. All other employees will be entitled to accrue up to two hundred forty (240) hours of compensatory time. Compensatory time may be voluntarily cashed out at any time except during the month of February. In addition, the full balance of accrued compensatory time must be cashed out at the end of each biennium.

17.6 Project Employees

Project employees who have not held permanent civil service status within the job classification, will not volunteer for or be assigned overtime work outside of the project. Required overtime within a project may first be assigned to qualified employees within the project by seniority. The process for assigning the overtime will follow the procedures outlined in this Article.

17.7 Employers Right to Assign

Nothing in this Article precludes the Employer from utilizing off-duty staff, which requires the payment of callback, or utilizing an individual to complete a specific assignment.

17.8 Overtime By-Pass Remedy

The parties agree that in a situation in which an employee was by-passed in the assignment of voluntary overtime, the employee shall be offered the following remedy:

- A. The right to work an overtime assignment that would not otherwise exist (and therefore would cause no displacement of any other employee). This assignment shall be the same duration for which the employee was by-passed. This assignment shall be scheduled within two (2) weeks unless extended by mutual agreement.
- B. If the employee is by-passed a second (2nd) time (or more) in a six (6) month period, the employee will have the option to make up the overtime in accordance with Subsection A above or may elect to receive straight-time compensation for all hours that the employee would have worked on the overtime assignment if the employee had not been by-passed.

ARTICLE 18

EXTENDED DUTY ASSIGNMENTS

18.1 Off-Site Overnight Inmate Crew Response Assignments

Institutions providing emergency off-site overnight inmate crew response requiring ongoing supervision to such things as forest fires, flood control, etc., are considered extended duty assignments and will occur under the following process.

- A. The Employer will assign qualified employees.
- B. Each institution will maintain separate voluntary sign-up lists for each job classification routinely assigned to off-site, overnight assignments.
- C. The list will be maintained by seniority date.
- D. The extended duty assignment list will be established and begin on January 1st of each year and end December 31st, beginning at the top of the list and proceeding down in order except as outlined below:
 1. When an employee accepts or declines an extended duty assignment, his/her name will be crossed off the list, and he/she will not be considered again until everyone else on the list has either worked an assignment or declined the opportunity.
 2. When the Employer is unable to reach an employee, the employee will not lose their place in order on the list. In cases where the only remaining staff on the list cannot be reached, the list will be considered exhausted and assignments will be made per Subsection 18.1 D 1.
 3. In those cases where no employees volunteer to work an extended duty assignment, employees will be assigned in inverse order of seniority from the entire facility custody roster, not necessarily the shift the emergency occurs on.
 4. In those cases where the employee's dispatch is cancelled prior to being considered an "extended duty assignment" the employee will not lose their position on the list.
 5. Employee(s) who are assigned to work these assignments for a period of twenty-four (24) hours or more will be on "extended duty assignment", and will be compensated in accordance with [Section 18.3](#), below.
 6. Once the list has been established, new names may be added in order of seniority, subject to the approval of the local Appointing Authority or designee.

- E. An extended duty assignment is limited to no more than fourteen (14) consecutive days excluding up to one (1) day to and one (1) day from the extended duty assignment for travel. Deployment beyond the fourteen (14) consecutive days (exclusive of travel) requires mutual agreement of the employee, the employee's Appointing Authority or designee and the DNR Resource Protection Division Manager or applicable contracting Agency. Extended duty assignment extensions are to be considered for:
 - 1. Life and property are imminently threatened,
 - 2. Suppression objectives are close to being met, or
 - 3. Replacement resources are unavailable or have not yet arrived.

18.2 Crew Supervision Training

When crew supervision training is provided by the Department of Natural Resources, employees eligible for extended duty assignments will be given an opportunity to attend the training. Employees who attend the training will be selected from the voluntary sign-up list in accordance with [Article 17](#), Overtime. Employees assigned to attend the training will not have their names removed from the extended duty assignment list.

18.3 Compensation

Employees on extended duty assignment will be considered to be on continuous duty from the time they commence such duty, including travel time to the fire and until they are released from duty including travel time for return to their non-fire duty station.

- A. During the extended duty assignment, all time will be paid as work time, except that the Employer may deduct up to eight (8) hours of non-work time each day for sleep, provided that the time deducted for sleep includes a period of five (5) continuous hours that are not interrupted by a call to work. Employees that are not provided with five (5) hours of uninterrupted rest in any work day will be compensated at the overtime rate for the entire rest period plus subsequent hours worked until relieved from duty for five (5) hours of uninterrupted rest.
- B. No callback payment will be made for any work during the hours of an extended duty assignment, or the transition back to the regular work schedule.
- C. The beginning of each workweek on extended duty assignment will be unchanged from the last previous workweek on the employee's regular work schedule. Except as provided in [Subsection 18.3.A](#), all compensable hours of work on an extended duty assignment will be at overtime rates except eight (8) in any workday. All compensable hours on a holiday will be at the overtime rates.

- D. There are no scheduled days off during an extended duty assignment. However, compensable hours on a holiday and all compensable hours in excess of forty (40) straight time hours in any workweek (including hours worked within the same workweek either before or after the extended duty assignment) will be paid at overtime rates.
- E. During an extended duty assignment all hours are duty hours. There is no eligibility for standby pay.
- F. Employees whose regular scheduled work shift entitles them to shift premium for their full shift, or a portion thereof, will be paid shift premium as follows:
 - 1. Employees whose regular schedules are all night shifts will continue to receive night shift premium for all paid hours on the extended duty assignment.
 - 2. Employees whose regular schedules call for some, but less than four (4) hours of night shift work each day will continue to receive the same number of hours at shift premium during each workday of the extended duty assignment.
 - 3. Employees whose regular schedules call for some, but not all full night shifts each week will receive shift premium for all paid hours on those same days during the extended duty assignment.

18.4 Return from Extended Duty Assignment

Upon being relieved from an extended duty assignment and prior to the employee returning to their regular schedule, the Employer will ensure the employee receives twelve (12) hours off. If the employee is scheduled to work during the twelve (12) hour period, the employee will be granted administrative leave for those hours.

If the extended duty assignment is for ten (10) days or more, inclusive of travel, the Employer will ensure that the employee receives twenty-four (24) hours off prior to returning to work. If the employee is scheduled to work during the twenty-four (24) hours, the employee will be granted administrative leave for those hours.

During any administrative leave pursuant to this article, the employee will not be allowed to work overtime.

ARTICLE 19

BID SYSTEM

19.1 Definitions

For purposes of this Article only the following definitions apply:

- A. Assigned Positions
Positions filled by other than a bid.

- B. Bid Eligibility
An employee will be eligible to bid at the time he/she completed their probationary and/or trial service period within their current classification.

- C. Bid Positions
Positions filled as a result of a bid.

- D. Bid System
A process allowing employees with permanent status to submit bids to positions within their employing institution in either:
 - 1. The same job classification in which they currently hold permanent status; or
 - 2. A job classification with a lower salary range maximum (Voluntary Demotion) for which the employee previously held permanent status.

- E. Operational Need
A circumstance encompassing one (1) or more of the following reasons:
 - 1. Training.
 - 2. Safety, where the continued assignment of an employee in a position is considered a threat to the safety of the employee or others.
 - 3. When there is a need to balance the skills or experience of staff in a particular area.
 - 4. An emergency, such as a fire, riot or disturbance.
 - 5. Assignment of off-site or overnight inmate crew response to such things as flood control, forest fire, etc.
 - 6. Documented medical reasons that necessitate the reassignment of the employee. The duration of the reassignment will be determined by a physician's medical statement indicating how long the employee should be reassigned. The Employer will require a

release from a physician prior to the employee returning to his/her former position.

7. Special qualifications for particular tasks, such as translation of foreign languages or gender searches.
8. Employee investigations where it is necessary to temporarily reassign an employee pending investigation of a charge of misconduct and pending any resolution of a finding of misconduct against the employee.
9. Documented performance deficiencies where the employee has a demonstrable inability to perform the job after receiving the training necessary to perform the job.
10. Litigation against or relating to the employee where it is necessary to reassign an employee to avoid difficulties in the defense of the litigation.
11. Rotational assignment out of Intensive Management, Segregation, or Mental Health Units.
12. To correct a supervisor-subordinate (to include the entire chain of command) nepotism relationship.
13. Failure to maintain compliance with statewide minimum standards of the position.
14. Court order, grievance decisions, or settlement necessitating the reassignment of a staff member.

F. Position

A particular combination of post, shift and days off.

G. Post

1. Single or individual assignments with a defined set of job duties;
or
2. Inmate living units including intensive management units, segregation, mental health units, and Correctional Industries (CI) Business Units.

These duties may be common to one (1) or more employees working at one (1) or more locations.

19.2 Components of a Bid

Bids will indicate the employee's choice of shift, post and days off, the position number of the desired position, and job classification. Employees will be

responsible for the accuracy of their bids. Each bid will remain active for a period of one (1) year from the date submitted by the employee.

19.3 Submittal and Withdrawal of Bids

Employees may withdraw their bids in writing at any time prior to the referral. Any bids submitted subsequent to the date and time a vacancy is considered to have occurred will not be considered for that vacancy, except as provided for in [Section 19.4](#) of this Agreement. The Agency will determine and provide an electronic process for bid submissions and withdrawals.

19.4 New Position or Reallocated Positions

When a position is established or a vacant position is reallocated, the position must be posted for seven (7) calendar days for the submission of bids by eligible employees. Postings will include the date and time bid(s) will be reviewed.

19.5 Vacancy Defined

For purposes of this Article, a vacancy occurs when:

- A. An employee notifies management, in writing that he/she intends to vacate his/her position; or
- B. Local management notifies an employee in writing, that the employee will be removed from his/her position; or
- C. Local management notifies a Correctional Officer 1 that he/she is being reassigned to a different position; or
- D. A position's assigned days off change by one (1) or more days, or post changes; or shift hours change by more than two (2) hours. In these cases, if the position is filled by an employee on a bid at the time of the change, the incumbent may elect to remain in the position and will retain his/her bid rights. If the incumbent elects not to remain in the position, he/she will be reassigned to a vacant position, and their bid eligibility restored. The vacated position will be posted for seven (7) calendar days. In those cases where there is more than one (1) vacant position, the incumbent under this Section will have the right to choose the vacant positions he/she wishes to be assigned. If there is more than one incumbent under this Section, the incumbents will be permitted to choose among the vacant positions in order of seniority.

19.6 Awarding a Bid

- A. Except as provided in [Subsection 19.5.D](#), above, whenever a permanent vacancy occurs, the Appointing Authority or designee will review the bids to determine if any employee with bid eligibility has submitted a bid for the new or vacated position. The Appointing Authority or designee will consider all bids in order of seniority. If the vacant position has any bona fide special requirements or qualifications, only those employees who meet the required criteria will be considered for the position. The senior

employee who has the skills and abilities necessary to perform the duties of the bid position will be appointed to the position. Each senior employee considered, but not appointed, will be notified in writing of the reason(s) he/she was not appointed. In those cases where referrals are requested on multiple positions at the same time, and an employee is the senior employee on more than one (1) position, the affected employee will be provided the opportunity to select the position he/she will be awarded. If the senior employee is not available within a twenty-four (24) hour period, the decision will be made by the drawing of a lot with the Shop Steward present.

- B. If a vacancy is not filled with a probationary or permanent employee within six (6) months, bids will be reviewed. Bids will be reviewed every six (6) months until the position is permanently filled. If the Appointing Authority makes the determination to fill the vacancy, bids will be awarded in accordance with Subsection 19.6 A.
- C. Employees who remain in the same assigned position for twelve (12) months following the successful completion of his/her probation and/or trial service period(s), shall be considered to be in the position by bid and shall retain their bid rights.

19.7 Segregation, Intensive Management, and Mental Health Units

Employees may submit a bid or voluntary demotion bid to a Segregation Unit, Intensive Management Unit, or Mental Health Unit utilizing the bid system. Staff assignments will be consistent with policy DOC 400.410, "Staff Assignments to Specialized Units". If the Department changes this policy and the changes affect a mandatory subject of bargaining, the Department will give notice to the Union and satisfy its collective bargaining obligation.

- A. Provided they meet the selection criteria, employees who submit a bid or voluntary demotion request will be considered for assignment into a position in a Segregation Unit, Intensive Management Unit, or Mental Health Unit.
- B. This sub-article applies to all full-time positions within a Segregation Unit, Intensive Management Unit, Mental Health Unit, and/or positions assigned to an Intensive Management Unit, Segregation Unit, or Mental Health Unit for three (3) or more days during the workweek. The Employer retains the right to permanently and/or temporarily reassign an employee into and/or out of an Intensive Management Unit, Segregation Unit, or Mental Health Unit. Such determination may include a fitness for duty assessment.
- C. If an employee who has bid for the position is not selected, the reason will be provided, in writing, to the affected employee.

D. Policy 400.410 applies to the units identified in Appendix L.

19.8 Bid Commitment

When an employee has been awarded a bid, the employee will be committing himself/herself to request no other bids for a minimum of six (6) months. The six (6) month period will begin on the date the employee is awarded his/her bid. At time of notification of selection, all other active bids the employee has on file will be removed from the bid system. However, if after transfer, the shift, post, or days off of the position are unilaterally changed or if the position is eliminated the employee will again be eligible to bid.

19.9 Permanent Bid Exchange

Nothing in this procedure precludes employees the right to permanently exchange bid positions provided:

- A. The bid exchange is voluntary, and is requested and agreed to in writing by both employees; and
- B. There are no bids by any employee on either position; and
- C. The Appointing Authority or designee has approved the bid exchange in writing.

19.10 Correctional Officer 1 In-Training Program

The Correctional Officer 1 in-training program will be managed utilizing only those positions filled by staff in assigned positions.

19.11 Temporary Reassignment

Nothing in this procedure will preclude Management from temporarily reassigning an employee(s) to other position(s) if an operational need arises. Assignments made for operational need will be designed to have the least adverse affect on the employee, and will not be made for the purpose of avoiding the requirements of the bid system. Management will provide any reassigned employee with a written statement as to the reason(s) for the reassignment.

19.12 Placement During Temporary Reassignment

Whenever it is necessary to temporarily reassign an employee for operational need, placement in a position which accommodates the purpose(s) for reassignment will be achieved in the order of:

- A. With the mutual agreement of Management, employees may volunteer to temporarily exchange bid positions;
- B. Vacant position for which there is no bid;
- C. Assigned position;
- D. Bid position.

If none of the above provides a position for the displaced employee and it is necessary to displace an employee in a bid position for purposes of resolving an operational need as provided in 19.1.E, the displacement will be temporary and provide the least adverse impact on the displaced employee. Bid position displacements will normally be unique and extraordinary; will be in order of inverse seniority, and will occur only after exhausting steps A, B, and C above. No temporary assignment will delay the award of a bid.

19.13 Permanent Reassignment

Nothing in this procedure will preclude Management from permanently reassigning an employee to another position provided the employee is notified, in writing, of the reason(s) for the reassignment. A permanent reassignment is an extraordinary action. In order for an involuntary permanent reassignment to be made, either operational need must exist for the reassignment, or there must exist reasons for the reassignment, which effectively preclude the employee from performing his/her bid position. An employee on Leave Without Pay for ten (10) or more consecutive work days (except those placed on Leave Without Pay as a result of an illness or injury compensable under the worker's compensation system or on Family Medical Leave) and/or receiving shared leave for ten (10) or more consecutive work days, or a combination thereof may be reassigned and will have his/her bid requests suspended until he/she returns to work.

19.14 New, Expansion and/or Consolidation of Facilities

Management and the Union agree that in cases of new institutions, institution expansions, or consolidation of institutions that result in the creation of additional positions or consolidation of rosters, the provisions of [Article 19](#) may be modified utilizing the provision outlined in [Article 5, Union/Management Relations](#), of this Agreement.

19.15 Project and Temporary Positions

This Article does not apply to the filling of project and/or temporary positions.

In addition to Subsection A above, employees will be compensated for the hours actually worked on a holiday at the overtime rate, in accordance with [Article 17](#), Overtime.

C. Part-Time Eligibility

D. Full-Time Employees on Leave Without Pay

A full-time employee who would otherwise be entitled to a holiday but is on leave without pay will receive compensation for the holiday provided he/she has been in pay status for eighty (80) non-overtime or non-standby hours during the month, not counting the holiday. Compensation for holidays other than full-time employees during leave without pay will be proportionate to the time in pay status required for full-time employment. The employee must be employed before and after the holiday and for a period of at least twelve (12) calendar days during the month in addition to the holiday.

20.3 Holiday Designation

A. Monday-Friday Schedule

For full-time employees with a Monday-through-Friday work schedule, when a holiday falls on a Saturday, the Friday before will be the holiday, and when a holiday falls on a Sunday, the following Monday will be the holiday.

B. All Other Schedules

For full-time employees who do not have a Monday-through-Friday work schedule, when a holiday falls on the employee's scheduled workday that day will be considered the holiday. When a holiday falls on the employee's scheduled day off, the Employer will treat the employee's workday before or after as the holiday.

- C. Night Shift Employees
The holiday for night shift employees whose schedule begins on one (1) calendar day and ends on the next will be determined by the Employer. It will start either at the beginning of the scheduled night shift that begins on the calendar holiday or the beginning of the shift that precedes the calendar holiday. The decision will be the same for all employees in a facility unless there is agreement to do otherwise between the Employer and one (1) or more affected employees, or with the Union, which will constitute agreement of the employees.

20.4 Personal Holidays

- A. Eligibility
An employee may choose one (1) workday as a personal holiday to take off with pay during the calendar year if the employee has been or is scheduled to be continuously employed by the state for more than four (4) months.
- B. Release for Personal Holiday
An employee who is scheduled to work less than six (6) continuous months over a period covering two (2) calendar years will receive only one (1) personal holiday during this period. The Employer will release the employee from work on the day selected as the personal holiday if:
1. The employee has given at least fourteen (14) calendar days' written notice to the supervisor; provided however, the employee and the supervisor may agree upon an earlier date; and
 2. The number of employees selecting a particular day off does not prevent the Agency from providing continued public service.
- C. Carryover
Personal holidays must be taken during the calendar year or the entitlement to the day will lapse, except that the entitlement will carry over to the following year when an otherwise qualified employee has requested a personal holiday and the request has been denied. The employee will attempt to reschedule his/her personal holiday during the balance of the calendar year. If he/she is unable to reschedule the day, it will be carried over to the next calendar year.
- D. Multiple Requests
The Agency may establish qualifying policies for determining which of the requests for a particular date will or will not be granted when the number of requests for a personal holiday will impair operational necessity.

- E. Compensation for Part-Time Employees
Part-time employees who are employed during the month in which the personal holiday is taken will be compensated for the personal holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.
- F. Compensation for Full-Time Employees
A personal holiday for full-time employees will be equivalent to their work shift on the day selected for personal holiday absence.
- G. Donation of Personal Holiday for Shared Leave
Part or all of a personal holiday may be donated as shared leave, in accordance with [Article 25](#), Shared Leave. Any portion of a personal holiday that remains or is returned to the employee will be taken in one (1) absence, not to exceed the work shift on the day of the absence, subject to the request and approval as described in Subsections B, C, and D above.
- H. Use of Personal Holiday for Family Care
Upon request, an employee will be approved to use part or all of his/her personal holiday for the care of family members as required by the Family Care Act, [WAC 296-130](#). Any portion of a personal holiday that remains will be taken by the employee in one (1) absence, not to exceed the work shift on the day of the absence, subject to the request and approval as described in Subsections B, C, and D above.

ARTICLE 21
VACATION LEAVE

- A. Full-time and part-time employees will be credited with vacation leave accrued monthly, according to the rate schedule and vacation leave accrual below.
- B. After a full-time employee has been in pay status for eighty (80) non overtime hours in a month they will accrue vacation leave according to the rate schedule below. Part-time employees will accrue vacation leave according to the rate schedule below on a prorated basis proportionate to the number of hours the employee is in pay status during the month required for full-time employment.

Full Years of Service	Hours Per Year
During the first and second years of current continuous employment	One hundred twelve (112)
During the third year of current continuous employment	One hundred twenty (120)
During the fourth year of current continuous employment	One hundred twenty-eight (128)

During the fifth and sixth years of total employment	One hundred thirty-six (136)

During the twentieth, twenty-first, twenty-second, twenty-third and twenty-fourth years of total employment	One hundred ninety-two (192)
During the twenty-fifth year of total employment and thereafter	Two hundred (200)

21.2 Accumulation

Employees may accumulate maximum vacation balances not to exceed two hundred forty (240) hours. However, there are two (2) exceptions that allow vacation leave to accumulate above the maximum:

- A. If an employee’s request for vacation leave is denied by the Employer, and the employee is close to the vacation leave maximum, the employee may file an exception to the maximum with the Appointing Authority. If the employee files the exception, the employee’s vacation leave maximum will be extended for each month that the Employer must defer the employee’s request for vacation leave.
- B. An employee may also accumulate vacation leave days in excess of two hundred forty (240) hours as long as the employee uses the excess balance prior to his/her anniversary date. Any leave in excess of the maximum that is not deferred in advance of its accrual as described above, will be lost on the employee’s anniversary date.

21.3 Coordination of Leave

Holidays that occur during vacation periods will be considered as holidays and not charged as vacation days.

21.4 Vacation Leave Availability

The Employer will post a chart on November 15 of each calendar year that indicates the number of employees within each job classification who may be approved scheduled leave for a given period of time. This chart will be posted in a readily accessible area, e.g., Shift office, Food Managers office, Nurses Station, by job classification and will remain posted until January 1.

21.5 Relief Limitations

Vacations will be scheduled within the limitations of the authorized relief allocated for each shift. In those cases where the authorized relief is shared between shifts within a job classification, vacations will be scheduled based on seniority of all employees within the job classification.

21.6 Vacation Selection

Beginning January 2 of each calendar year, employees will be scheduled a time, based on seniority, to select up to three (3) segments of available vacation leave during the time period of April 1 through March 31. A “segment” is one (1) or more contiguous days of vacation leave. Any segment which begins on any day between June 1 and August 31, inclusive, will not exceed more than ten (10) consecutive days of vacation leave, provided that an employee may select contiguous segments of vacation leave. Each employee will be guaranteed one (1) scheduled workweek of vacation leave if requested as one of their segments.

Off-shift times to select a vacation will not be considered as “time worked” for purposes of computing callback or overtime. If an employee is unable to be present during their scheduled time they may make their choice by telephone, email, or another individual with written documentation of designation, may select a vacation segment(s) for the employee. If the employee fails to select their vacation during his/her assigned time, the Employer may proceed with scheduling. The employee will be provided an opportunity to select his/her segment(s) at a later date when he/she is available. The Employer will publish the vacation schedule by March 1, after considering requests, as well as Agency program needs. Employees will complete a Leave Request Form no less than thirty (30) days prior to any approved vacation segment taken.

21.7 Supplemental Requests

Nothing in the above paragraphs will preclude the right of an employee to request vacation leave or his/her personal holiday at any time. The Employer will consider said request in relation to authorized relief, program needs and the existing published vacation schedule, all of which will take precedence. These requests will be resolved on a first-come, first-serve basis. Employees will complete a Leave Request Form for any such vacation leave taken immediately upon his/her return to work.

21.8 Adequate Leave

Employees will not request or be authorized to take scheduled vacation leave if they do not have sufficient vacation leave to cover such absence when the leave commences.

21.9 Vacation Callback

No employee on approved vacation leave will be required to return to his/her place of employment until the scheduled leave has ended, except in an emergency situation.

21.10 Vacation Cancellation by Management

Each employee will be granted vacation for the time stipulated on the vacation schedule, except that Local Management with reasonable notice, may cancel or otherwise adjust vacation periods only in an emergency. Employees whose leave has been cancelled or adjusted will be allowed to request alternative leave dates pursuant to [Section 21.7](#).

21.11 Vacation Cancellation by Employee

Employee requested cancellations of any portion of an approved segment to the annual vacation schedule must be submitted in writing no later than thirty (30) calendar days in advance of his/her scheduled vacation except in bona fide emergencies. The request is subject to approval by the Employer.

21.12 Additional Approved Vacation Leave (“CBA Days”)

Accrued vacation time, not to exceed two (2) shifts in any calendar year, will normally be granted on a first-come first-served basis provided:

- A. The employee is eligible to take the leave requested; and
- B. Such leave will be used in increments of not less than one (1) shift; and
- C. The request is made in writing thirty (30) days or more in advance of the requested day off; and
- D. The request is made after the conclusion of the vacation selection process and is for the current calendar year; and
- E. For Correctional Officers and Sergeants, the following are established as minimums that will be approved except in an emergency:
 1. The number of approved CBA Day requests at a standalone minimum facility does not exceed authorized relief factors by more than three (3) relief per day; and
 2. The number of approved CBA Day requests at a major facility with five hundred (500) Correctional Officer and Correctional Sergeant positions or less does not exceed authorized relief factors by more than five (5) relief per day; and
 3. The number of approved CBA Day requests at a major facility with more than five hundred (500) Correctional Officer and Correctional Sergeant positions does not exceed authorized relief factors by more than seven (7) relief per day.
 4. In those cases where all slots are used by Correctional Officers, one additional CBA day, per day, will be granted for Correctional Sergeants.

Superintendents have the discretion to approve CBA Day requests above the levels specified in 1-3 above. The Superintendent’s decision is not subject to the grievance procedure in [Article 9](#).

21.13 Transfer, Promotion, Demotion

An employee who is transferred, promoted, or demoted between institutions may not be able to retain his/her approved vacation schedule. An employee who is

transferred, promoted, or demoted within his/her institution will retain his/her approved vacation schedule. Employees who request adjustments to their approved segments due to a change in work schedule, will submit such request within thirty (30) calendar days from the date of the schedule change, when possible.

21.14 Selection of Paid Leave

An employee will use and exhaust all compensatory time prior to the use of vacation leave, unless that would cause the employee to exceed the two hundred forty (240) hour vacation leave maximum on his/her anniversary date.

21.15 Cashout

Upon separation from service, an employee who has been employed for at least six (6) months who resigns, retires, is laid off, is terminated by the Employer, or upon death, will be paid for all unused vacation leave at the employee's current salary.

ARTICLE 22 MISCELLANEOUS LEAVE

22.1 Court or Administrative Leave

The time spent by an employee on behalf of the Employer in court or at an administrative hearing will be considered time worked. Travel and per diem expenses will be paid by the Employer. Employees will promptly inform the Employer when they receive a subpoena. A subpoenaed employee will receive paid leave during scheduled work time to appear as a witness in a court or administrative hearing for work related cases or cases that are unrelated to the personal or financial matters of the employee. The employee may be required to provide verification of the subpoena. If he/she is a party in the matter and is not represented by the Attorney General's Office of the State of Washington, or has an economic interest in the matter the employee may use vacation leave, compensatory time, or leave without pay. This Section does not apply to proceedings conducted under the grievance and arbitration procedure of this Agreement.

22.2 Jury Duty

Employees will receive paid leave and be allowed to retain any compensation paid to them for their jury duty service. Employees will promptly inform the Employer when notified of his/her jury duty summons and if requested, the employee's shift schedule change may be approved to accommodate the jury duty summons. If employees are released from jury duty and there are more than two (2) hours remaining on the work shift, they may be required to return to work.

22.3 Military Leave and Notification

In accordance with [RCW 38.40.060](#), employees will be granted twenty-one (21) working days paid leave to be used for required military duty or to take part in training, or drills including those in the National Guard or active status. In

ARTICLE 23 SICK LEAVE

23.1 Sick Leave Accrual

After a full-time employee has been in pay status for eighty (80) non-overtime hours in a month, he/she will accrue eight (8) hours of sick leave. Part-time employees' sick leave accrual will be proportionate to the number of hours the employee is in pay status during the month to that required for full-time employment.

23.2 Sick Leave Use

Sick leave will be charged in one-tenth (1/10th) of an hour increments and may be used for the following reasons:

- A. Illness, injury or disability of the employee or for preventative health care, including medical or dental appointments.
- B. Exposure of the employee to contagious disease when attendance at work would jeopardize the health of others.

23.4 Use of Leave Without Pay for Sick Leave Purposes

The Appointing Authority, when requested by the employee, may authorize a leave without pay.

23.5 Restoration of Vacation Leave

In the event that an employee is injured or becomes ill while on vacation leave, the employee may submit a written request to use sick leave and have the equivalent amount of vacation leave restored. The supervisor may require a written medical certificate.

23.6 Holidays During Sick Leave Periods

Holidays that occur during sick leave periods will be paid as a holiday and not charged as a sick leave day.

23.7 Sick Leave Reporting and Physicians Statement

An employee must promptly notify his/her supervisor as soon as he/she is aware of the need for the absence and each day thereafter, unless there is mutual agreement to do otherwise. If the employee is in a position where a relief replacement is necessary, the employee will notify his/her supervisor at least two (2) hours prior to his/her scheduled time to report to work. If a nurse is in a position where relief replacement is necessary, the nurse will notify his/her supervisor of the need for him/her to be absent from work at least three (3) hours prior to his/her scheduled time to report to work. Employees will notify their

supervisor of scheduled medical appointments. The notice will be provided upon making the appointment and not less than seventy-two (72) hours before the appointment. Notification of less than seventy-two (72) hours will be considered as scheduled leave if the employee provides verification of the medical appointment immediately upon return to work. Medical appointment verification will be submitted to the local Human Resources Office.

The Employer may require a physician's statement under any of the following circumstances:

- A. Any illness which causes an employee to be absent for more than the total number of work days in an employee's designated workweek, or
- B. To assess whether the employee is seeking to return to work too soon following an illness or injury, or
- C. To assess whether it is necessary to protect co-workers or clients from contagious illness; or

In those cases where an employee is returning to work after an absence of the total number of work days in an employee's designated workweek, the Employer may require written certification from the employee's health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation. In those cases where a health care provider is releasing an employee to work with restrictions, notification will be provided to the institution/regional Human Resources office twenty-four (24) hours prior to the employee's scheduled work shift in order for the Employer to determine if work is available for the employee within their existing job classification. The Employer will approve available accrued leave for the employee during the process of evaluating accommodation options.

23.8 No Additional Documentation or Justification Required

Employees will not be required to document or justify any leave taken due to illness for themselves or a family member after sixty (60) calendar days from the date of return from a specific absence, provided the requirements of this Article have been followed.

23.9 Leave Request Form After Absence

Employees will complete a Leave Request form for any leave taken. When the reason for the absence is unexpected and precludes prior written approval, requests will be submitted immediately upon his/her return to work. The employee will state the general reason or circumstance for leave requested on the form. Failure to properly complete and submit a leave slip within the pay period may result in the absence being treated as an unauthorized leave without pay.

23.10 Sick Leave Annual Cashout

Each January, employees are eligible to receive payment on a one (1) hour for four (4) hour basis for ninety-six (96) hours or less of their accrued sick leave, if:

- A. Their sick leave balance at the end of the previous calendar year exceeds four hundred and eighty (480) hours;
- B. The converted sick leave hours do not reduce their previous calendar year sick leave balance below four hundred and eighty (480) hours; and
- C. They notify their payroll office by January 31 that they would like to convert their sick leave hours earned during the previous calendar year, minus any sick leave hours used during the previous year, to cash.

All converted hours will be deducted from the employee's sick leave balance.

23.11 Sick Leave Separation Cashout

At the time of retirement from State service or at death, an eligible employee or the employee's estate will receive payment for his/her total sick leave balance on a one (1) hour for four (4) hours basis. For the purposes of this Section, retirement will not include "vested out of service" employees who leave funds on deposit with the retirement system. In accordance with State and Federal law, agencies and employees in bargaining units may agree to form Voluntary Employee Beneficiary Associations (tax-free medical spending accounts) funded by the retiree sick leave cash out described above.

23.12 Reemployment

Former state employees who are reemployed within five (5) years of leaving state service will be granted all unused sick leave credits they had at separation.

23.13 Unscheduled Leave

- A. An employee's unscheduled leave may be addressed as a performance issue by the Employer. Unscheduled leave is defined as:
 - 1. Any time an employee notifies their supervisor (or shift commander when applicable) with less than seventy-two (72) hours' notice prior to the absence.
 - 2. Any time an employee leaves early during their shift when notification did not occur within seventy-two (72) hours prior to the absence; or,
 - 3. Any time an employee reports to work after the start of their shift, when notification did not occur within seventy-two (72) hours prior to the absence.
 - 4. Nothing in this section precludes an employee from requesting time off pursuant to Section 21.7. Approved requests will be considered scheduled.
- B. When the Employer suspects unscheduled leave abuse, the employee will be provided the opportunity to explain the circumstances surrounding his/her unscheduled leave use prior to disciplining the employee, or

making reference to unscheduled leave use in the employee's performance evaluation.

23.14 Sick Leave Abuse

When the Employer suspects sick leave abuse, the employee will be provided the opportunity to explain the circumstances surrounding his/her sick leave use prior to disciplining the employee, or making reference to sick leave use in the employee's performance evaluation.

ARTICLE 24 FAMILY AND MEDICAL LEAVE

24.1 Eligibility

A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA), and any amendments thereto, and the Washington State Family Leave Act of 2006 (WFLA), each employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for one (1) or more of the following reasons 1 – 4:

1. Parental leave for the birth and to care for a newborn child or placement for adoption or foster care of a child and to care for that child.
2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work.
3. Family medical leave to care for a spouse, son, daughter, parent, or state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#) who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with WFLA will not be counted towards the twelve (12) weeks of FMLA. Son or daughter means a biological, adopted, or foster child, a step child, a legal ward, or a child of a person standing in loco parentis, who is under eighteen (18) years of age or eighteen (18) years of age or older and incapable of self care because of a mental or physical disability.
4. A qualifying exigency, as defined by the Department of Labor, arising from the fact that the spouse, or a son, daughter or parent of the employee is on active duty or has been notified of an impending call to active duty in the Armed forces in support of a contingency operation. Active duty means a call or order to active

duty under a provision of law referred to in Section 101 (a) (13) (B) of Title 10, United States Code. Contingency Operations is defined in Section 101 (a) (13) of Title 10, United States Code; and includes short notice deployment, attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements attending certain counseling sessions, rest and recuperation, and attending post-deployment reintegration briefings and parental care.

5. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member. Eligible employees may take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During a single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- B. Entitlement to family medical leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
- C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, personal holidays or shared leave.

24.2 Length of Leave

The family medical leave entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins family medical leave. Each time an employee takes family medical leave during the twelve (12) month period, the leave will be subtracted from the twelve (12) weeks of available leave.

24.3 Health Insurance Benefits

The Employer will continue the employee's existing Employer-paid health insurance benefits during the period of leave covered by family medical leave. The employee will be required to pay his/her share of health care premiums.

24.4 Designation and Concurrent Leave

The Employer has the authority to designate absences that meet the criteria of the family medical leave. The use of any paid or unpaid leave (excluding leave for a work-related injury or illness covered by workers' compensation or assault benefits) for a family medical leave qualifying event will run concurrently with, not in addition to, the use of the family medical leave for that event.

24.5 Parental Leave

- A. Parental leave will be granted to the employee for the purpose of bonding with his/her newborn, adoptive or foster child. Parental leave may extend up to six (6) months, including time covered by the family medical leave, during the first year after the child's birth or placement. Leave beyond the period covered by the family medical leave may only be denied by the Employer due to operational necessity. Such denial may be grieved beginning at Step 1 of the grievance procedure outlined in [Article 9, Grievance Procedure](#).
- B. Parental leave may be a combination of the employee's accrued vacation leave, sick leave, personal holiday, or leave without pay.

24.6 Certification

The Employer may require that such personal medical leave, serious health condition leave, or serious illness or injury leave be supported by certification from the employee's, covered service member's or family member's health care provider for the purposes of qualifying for family medical leave. Certification may also be required for use of military exigency leave.

24.7 Intermittent Leave

Personal medical leave, serious health condition leave, or serious illness or injury leave covered by family medical leave may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatments so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis. Requests for intermittent leave to care for and/or bond with a newborn, foster, or adopted child will be considered on a case-by-case basis. Before such intermittent leave is taken, the appointing authority or designee must approve the schedule to be worked.

24.8 Return to Work

Upon returning to work after the employee's own family medical leave qualifying illness, the employee will be required to provide a fitness for duty certification from a health care provider.

24.9 Employee's Notification Requirement

The employee will provide the Employer with not less than thirty (30) days' notice before the family medical leave is to begin. If the need for the leave is

unforeseeable thirty (30) days in advance, then the employee will provide such notice as soon as feasible.

- 24.10** Definitions used in this article will be in accordance with the FMLA and WFLA. The parties recognize the Department of Labor could further define the amendments to FMLA. The Employer and employees will comply with existing and any adopted FMLA regulations and/or interpretations.

ARTICLE 29
PERSONNEL AND WORKING FILES

29.1 Personnel File and Working File

The Employer will maintain in a secure location an official personnel file for each employee in accordance with Agency policy. The immediate supervisor may also keep a working file for annual performance evaluation purposes. All working file material will be purged after completion of the employee's annual performance evaluation.

29.2 Personnel and Working File Material

- A. Employees must be provided with a copy of all material placed in their official personnel file related to their job performance. Material placed into the supervisor's working file related to job performance will be brought to the employee's attention. The employee may provide a written rebuttal to any information in the file that the employee considers objectionable. All material placed in the employee's personnel file relating to misconduct will be removed when the employee has been fully exonerated of wrongdoing. In all other cases, an employee may request that the Appointing Authority remove material one (1) year after issuance. The Employer may retain the removed information in a legal defense file and it will only be used or released when required by a regulatory agency (acting in their regulatory capacity), in the defense of an appeal or legal action, or as otherwise required by law.
- B. Written reprimands will be removed from an employee's personnel file after two (2) years if:

29.3 Information and Access

Employees have the right to access their own personnel file and the working file maintained by the supervisor. Before any representative of the employee will be granted access to an employee's personnel file, the employee must provide

written authorization. The employee and/or representative may not remove any contents of the employee's personnel file. However, an employee and/or representative may request copies of materials in the personnel file or working file maintained by the supervisor. The Employer may charge a reasonable fee for copying any materials beyond the first copy requested by the employee and/or representative.

29.4 Disclosure of Personnel File Information

Upon receipt of any court order or subpoena seeking documents from an employee's personnel file, the Employer will provide the employee with a copy of the order or subpoena. When documents or information in an employee's personnel, payroll, supervisory or training file are the subject of a public records request, the Employer will provide the employee with a copy of the request at least seven (7) calendar days in advance of the intended release date.

ARTICLE 30 PERFORMANCE EVALUATIONS

30.1 Objective

The performance evaluation process gives supervisors an opportunity to discuss performance goals with their employees and review their performance with regard to those goals. Supervisors should then provide support to employees in their professional development, so that skills and abilities can be aligned with Agency requirements. The purpose of the evaluation is to inform the employee of the supervisor's perception of the employee's job performance and to enhance communication between the employee and supervisor. Performance evaluations should be substantive in their review of an employee's performance.

30.2 Frequency

Employee work performance will be evaluated prior to the completion of his/her probationary and trial service periods and at least annually thereafter. The annual evaluation will be completed during the sixty (60) day period following the employee's anniversary date. Timeframes may be extended subject to the employee's availability. The evaluation will be considered completed on the date it is signed by the evaluating supervisor.

30.3 Process

Immediate supervisors will meet with employees at the start of their review period to discuss performance standards. Discussions between the employee and the supervisor will occur throughout the evaluation period, in order to recognize accomplishments and address performance issues in a timely manner. Employees will receive copies of their performance standards as well as notification of any modifications made during the review period. Performance discussions will be conducted in a confidential setting.

30.4 Documentation and Review

The performance evaluation process will include, but not be limited to, a written performance evaluation on forms used by the Employer, the employee's signature acknowledging receipt of the forms, and any comments or rebuttal by the employee. A copy of the performance evaluation will be provided to the employee at the time of the review. Upon request, the employee will be entitled to Union representation during such review. The role of the representative is that of an observer and advisor to the employee. The original performance evaluation forms, including the employee's comments or rebuttal, will be maintained in the employee's personnel file.

30.5 Grievance Rights

The evaluation process is subject to the grievance procedure. However, the specific contents of performance evaluations are not subject to the grievance procedure.

ARTICLE 31 CLASSIFICATION

31.1 Classification Plan Revisions

The Employer will provide notice to the Union in writing any proposed changes to the classification plan, including descriptions for newly created classifications. The parties may then meet to discuss the assignment of new bargaining unit classes or the reassignment of existing bargaining unit classes to pay ranges. The Employer will assign newly created positions to the appropriate classification within the classification plan.

31.2 Position Review

An individual employee who believes that the duties of his/her position have changed, or that his/her position is improperly classified may request a review according to the following procedure:

- A. The employee and/or the employee's immediate supervisor will complete and sign the appropriate form.
- B. The supervisor will then send the completed form to the Local Human Resources Office. The Local Human Resources Office will review the completed form. A decision regarding appropriate classification will then be made by the Agency.
- C. In the event the employee disagrees with the reallocation decision of the Agency, or if the employee wishes to challenge any reallocation decision initiated by the Employer, he/she may appeal the Agency decision to the State Human Resources Director within thirty (30) calendar days of being provided the results of a position review or the notice of reallocation. The State Human Resources Director will then make a written determination which will be provided to the employee.

- D. The employee may appeal the determination of the State Human Resources Director to the Washington Personnel Resources Board within thirty (30) calendar days of being provided the written decision of the State Human Resources Director. The board will render a decision which will be final and binding.
- E. The effective date of a reallocation resulting from an employee request for a position review is the date the request was filed with the Agency.

31.3 Effect of Reallocation

- A. Reallocation to a Class With a Higher Salary Range
If the employee has performed the higher-level duties for at least twelve (12) months and meets the skills and abilities required of the position, the employee will remain in the position and retain existing appointment status. If the reallocation is the result of a change in the duties of the position and the employee has not performed the higher-level duties for at least twelve (12) months, the Employer must give the employee the opportunity to compete for the position if he/she possesses the required skills and abilities. If the employee is not selected for the position, or does not have the required skills and abilities, the layoff procedure specified in [Article 35](#), Layoff and Recall, of this Agreement applies. If the employee is appointed, he/she must serve a trial service period.
- B. Reallocation to a Class With an Equal Salary Range
If the employee does not meet the skills and abilities requirements of the position, the layoff procedure specified in [Article 35](#), Layoff and Recall, of this Agreement applies.
- C. Reallocation to a Class With a Lower Salary Range
If the employee meets the skills and ability requirements of the position, the employee retains existing appointment status and has the right to be placed on the Employer's internal layoff list for the classification occupied prior to the reallocation. If the employee does not meet the skills and abilities requirements of the position, the layoff procedure specified in [Article 35](#), Layoff and Recall, of this Agreement applies.

31.4 Salary Impact of Reallocation

An employee whose position is reallocated will have his/her salary determined as follows:

- A. Reallocation to a Class With a Higher Salary Range
Upon appointment to the higher class the employee's base salary will be increased as follows:
 - 1. Employees promoted to a position in a class whose range is less than six (6) ranges higher than the range of the former class will be advanced to a step of the range for the new class, which is nearest

to five percent (5%) higher than the amount of the pre-promotional step.

2. Employees promoted to a position in a class whose range is six (6) or more ranges higher than the range of the former class will be advanced to a step of the range for the new class, which is nearest to ten percent (10%) higher than the amount of the pre-promotional step.

B. Reallocation to a Class With an Equal Salary Range
The employee retains his/her previous base salary.

C. Reallocation to a Class With a Lower Salary Range
The employee will be paid an amount equal to his/her current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will continue to be compensated at the salary he/she was receiving prior to the reallocation downward, until such time as the employee vacates the position or his/her salary falls within the new salary range.

31.5 No Grievance Procedure

Decisions regarding appropriate classification will be reviewed in accordance with [Section 31.2](#), and will not be subject to the grievance and arbitration procedure specified in this Agreement.

31.6 Job Classification Requirement

Employees shall not regularly and on an on-going basis be assigned duties foreign to the concept of their job classification.

32.18 Standby

- A. An overtime-eligible employee is in standby status while waiting to be engaged to work by the Employer and both of the following conditions exist:
 - 1. The employee is required to be present at a specified location or is immediately available to be contacted. The location may be the employee's home or other specific location, but not a work site away from home. When the standby location is the employee's home, and the home is on the same state property where the employee works, the home is not considered a work site.
 - 2. The Agency requires the employee to be prepared to report immediately for work if the need arises, although the need might not arise.
- B. Standby status will not be concurrent with work time.
- C. When the nature of a work assignment confines an employee during off-duty hours and that confinement is a normal condition of work in the employee's position, standby compensation is not required merely because the employee is confined.
- D. Overtime-eligible employees on standby status will be compensated at a rate of seven percent (7%) of their hourly base salary for time spent in standby status.
- E. Overtime exempt employees classified as Physician Assistant/Advanced Registered Nurse Practitioner, Physician Assistant Certified/Advanced Registered Nurse Practitioner Lead, Clinical Nurse Specialist, Psychiatric Social Worker 3 or 4, Psychiatrist 4, Psychologist 3 or 4, or Psychology Associate will be compensated fifty dollars (\$50.00) for each day or portion thereof spent in standby status. All other overtime-exempt employees will be compensated twenty-five dollars (\$25.00) for each day or portion thereof spent in standby status. A day is defined as a twenty-four (24) hour period beginning on the first hour an employee is assigned standby status.
- F. Employees dispatched to emergency fire duty as defined by [RCW 38.52.010](#) are not eligible for standby pay.

32.19 Relocation Compensation

- A. The Employer may authorize lump sum relocation compensation, within existing budgetary resources, under the following conditions.
 - 1. When it is reasonably necessary that a person make a domiciliary move in accepting a reassignment or appointment; or
 - 2. It is necessary to successfully recruit or retain a qualified candidate or employee who will have to make a domiciliary move in order to accept the position.
- B. If the employee receiving the relocation payment terminates or causes termination of his/her employment with the state within one (1) year of the date of employment, the state will be entitled to reimbursement for the moving costs which have been paid and may withhold such sum as necessary from any amounts due the employee. Termination as a result of layoff, or disability separation will not require the employee to repay the relocation compensation.

32.20 Salary Overpayment Recovery

- A. When an agency has determined that an employee has been overpaid wages, the agency will provide written notice to the employee that will include the following items:
 - 1. The amount of the overpayment
 - 2. The basis for the claim
 - 3. The rights of the employee under the terms of this Agreement
- B. Method of Payback
 - 1. The employee must choose one (1) of the following options for paying back the overpayment:
 - a. Voluntary wage deduction
 - b. Cash
 - c. Check
 - 2. The employee will have the option to repay the overpayment over a period of time equal to the number of pay periods during which the overpayment was made, unless the employee and the agency agree upon a longer period.
 - 3. If the employee fails to choose one (1) of the three (3) options described above, within the timeframe specified in the agency's written notice of overpayment, the agency will deduct the overpayment owed from the employee's wages. This overpayment recovery shall take place over a period of time equal to the number of pay periods during which the overpayment was made.

4. Any overpayment amount still outstanding at separation of employment will be deducted from their final pay.

C. Appeal Rights

Any dispute concerning the occurrence or amount of the overpayment will be resolved through the grievance procedure in [Article 9](#) of this Agreement.

32.21 Assignment Pay Provisions

- A. An Employer may grant assignment pay to a position to recognize a specialized skill, assigned duties, and/or unique circumstances that exceed the ordinary. The Employer determines which positions qualify for premium.
- B. All Assignment Pay rates and Special Pay ranges and Notes are attached as Appendix H to this Agreement.

32.22 Dependent Care Salary Reduction Plan

The Employer agrees to maintain the current dependent care salary reduction plan that allows eligible employees, covered by this Agreement, the option to participate in dependent care reimbursement program for work-related dependent care expenses on a pretax basis as permitted by Federal tax law or regulation.

32.23 Pretax Health Care Premiums

The Employer agrees to provide eligible employees with the option to pay for the employee portion of health premiums on a pretax basis as permitted by Federal tax law or regulation.

32.25 Voluntary Separation Incentives – Voluntary Retirement Incentives

Agencies will have the discretion to participate in a Voluntary Separation Incentive Program or a Voluntary Retirement Incentive Program, if such program is provided for in the 2017-2019 operating budget. Such participation must be in accordance with the program guidelines. Program incentives or offering of such incentives are not subject to the grievance procedure.

ARTICLE 33
HEALTH CARE BENEFITS AMOUNT

- 33.1** A. For the 2017-2019 biennium, the Employer will contribute an amount equal to eighty-five percent (85%) of the total weighted average of the projected health care premium for each bargaining unit employee eligible for insurance each month, as determined by the Public Employees Benefits Board (PEBB). The projected health care premium is the weighted average across all plans, across all tiers.
- B. The point-of-service costs of the Classic Uniform Medical Plan (deductible, out-of-pocket maximums and co-insurance/co-payment) may not be changed for the purpose of shifting health care costs to plan participants, but may be changed from the 2014 plan under two (2) circumstances:
1. In ways to support value-based benefits designs; and
 2. To comply with or manage the impacts of federal mandates.
- Value-based benefits designs will:
1. Be designed to achieve higher quality, lower aggregate health care services cost (as opposed to plan costs);
 2. Use clinical evidence; and
 3. Be the decision of the PEB Board.
- C. Section 33.1 (B) will expire June 30, 2019.

In addition, eligible, enrolled subscribers shall have the option to earn an annual one hundred twenty-five dollars (\$125.00) or more wellness incentive in the form of reduction in deductible or deposit into the Health Savings Account upon successful completion of required Smart Health Program activities. During the term of this Agreement, the Steering Committee created by Executive Order 13-06 shall make recommendations to the PEBB regarding changes to the wellness incentive or the elements of the Smart Health Program.

ARTICLE 34

SENIORITY

34.1 Overtime, Extended Duty Assignment, Bid System and Vacation Selection Seniority

This Subsection ([Section 34.1](#)) defines seniority solely for purposes of [Article 17](#) Overtime, [Article 18](#) Extended Duty Assignments, [Article 19](#) Bid System and [Article 21](#) Vacation Leave.

- A. Employees within a Teamsters DOC bargaining unit on July 1, 2009
1. Seniority for full-time employees will be defined as the employee's length of unbroken state service.
 2. Seniority for part-time or on call employees will be based on straight time hours worked.
 3. If an employee appointed prior to July 1, 2009, leaves a Teamsters DOC bargaining unit after July 1, 2009, their seniority will be calculated under [Subsection 34.1.B](#).
 4. If an employee is permanently assigned to a position in the Teamsters bargaining unit and accepts a non-permanent appointment outside of the bargaining unit, the employee's seniority will not be affected.

B. Employees appointed to a position in a Teamsters DOC bargaining unit after July 1, 2009

Seniority for full-time employees appointed after July 1, 2009, will be defined as the employee's length of unbroken state service less any time spent in state service appointments outside of Teamsters DOC bargaining units. Employees appointed from other bargaining unit positions within the DOC will have their Teamsters seniority credited for time served in other DOC bargaining units.

Seniority for part-time or on call employees appointed after July 1, 2009, will be based on straight-time hours worked, less any time spent in state service appointments outside of Teamsters DOC bargaining units. Employees appointed from other bargaining unit positions within the DOC

will have their Teamsters seniority credited for time served in other DOC bargaining units.

1. If an employee is permanently assigned to a position in the Teamsters DOC bargaining unit and accepts a non-permanent appointment outside of the bargaining unit, the employee's seniority will not be affected.

34.2 Layoff Seniority

This Subsection ([Section 34.2](#)) applies only to [Article 35](#) Layoff and Recall. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on call employees will be based on straight-time hours worked. For the purposes of layoffs, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse or state registered domestic partner, as provided for in RCW 41.06.133.

34.3 Effect of Leave Without Pay on Seniority

This Section ([Section 34.3](#)) applies to [Sections 34.1](#) and [34.2](#). Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when the leave without pay is taken for:

- A. Military leave for United States Public Health Service;
- B. Compensable work-related injury or illness leave;
- C. Government service leave and leave to enter the Peace Corps, not to exceed twenty-seven (27) months;
- D. Educational leave, contingent upon successful completion of the coursework; and/or
- E. Reducing the effects of a layoff.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward in an amount equal to the duration of the leave without pay. Time spent on a temporary layoff in accordance with [Article 35](#), Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff and are reemployed within two (2) years of their separation date will not be considered to have a break in service.

34.4 Ties

This Section ([Article 34.4](#)) applies to [Sections 34.1](#) and [34.2](#). If two (2) or more employees have the same seniority date or bargaining unit seniority date, ties will be broken in the following order:

- A. Longest total time in Teamsters DOC bargaining units;
- B. Longest continuous time within their current job classification;
- C. Longest continuous time with the agency; and
- D. By lot.

34.5 Seniority List

The Employer will prepare and post seniority lists by institution/office. The list will be updated annually, posted by December 1 of each year, and will contain each employee's name, job classification, and seniority date. Employees will have fourteen (14) calendar days in which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct. A copy of the seniority list will be provided to the Union at the time of posting.

ARTICLE 35 LAYOFF AND RECALL

35.1 Basis for Layoff

Layoffs may occur for any of the following reasons:

- A. Lack of funds;
- B. Lack of work;
- C. Good faith reorganization;
- D. Ineligibility to continue in a position that was reallocated;
- E. Termination of a project; or
- F. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

35.2 Voluntary Layoff, Leave of Absence or Reduction in Hours

Appointing Authorities may allow an employee to volunteer to be laid off, take an unpaid leave of absence or reduce his/her hours of work in order to reduce layoffs. If it is necessary to limit the number of employees on unpaid leave at the same time, the Appointing Authority will determine who will be granted a leave of absence and/or reduction in hours based upon staffing needs. Employees who volunteer to be laid off may request to participate in the General Government Transition Pool Program and/or have their names placed on the internal layoff list for the job classifications in which they held permanent status.

35.3 Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and ability to perform within their current job classification within the layoff unit currently held by non-permanent, and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

35.4 Temporary Layoff

The Employer may temporarily layoff an employee for up to ninety (90) calendar days due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. Employees will normally receive notice of five (5) calendar days of a temporary layoff. An employee who is temporarily laid off will not be entitled to be paid any leave balance, bumped to any other position or be placed on the internal layoff list. A temporary layoff will not affect an employee's periodic increment date and the employee will continue to accrue vacation and sick leave credit at their normal rate.

35.5 Layoff

Employees will be laid off in accordance with seniority, as defined in [Article 34](#), Seniority, subject to the employee possessing the required skills and abilities for the position.

35.6 Layoff Units

A layoff unit is defined as the geographical entity or administrative/organizational unit within the Department of Corrections (DOC) used for determining available options for employees who are being laid off. The layoff units will be by order as follows:

A. Institution

The Institution in which the employee's permanent work station is located will be considered the first layoff unit.

B. County

If no option is available within the Institution layoff unit, or if the employee's work station is not located at an institution, the County in which the employee's permanent work station is located will be considered the layoff unit.

C. County Group

If no option is available within the County layoff unit, the County group in which the employee's permanent work station is located will be considered the layoff unit. County groups are as follows:

1. Group 1

Benton, Chelan, Columbia, Douglas, Franklin, Kittitas, Klickitat, Walla Walla and Yakima.

2. Group 2
Adams, Asotin, Ferry, Garfield, Grant, Lincoln, Okanogan, Pend Oreille, Spokane, Stevens and Whitman.
3. Group 3
Clallam, Jefferson, Skagit, Snohomish and Whatcom.
4. Group 4
Clark, Cowlitz, Grays Harbor, Kitsap, Lewis, Mason, Pacific, Skamania, Thurston and Wahkiakum.
5. Group 5
King and Pierce.

D. Statewide

If no option is available within the County Group layoff unit, the Statewide layoff unit will be considered the layoff unit.

35.7 Formal Options

Employees being laid off will be provided the following options to comparable positions in descending order within the layoff unit:

- A. A funded vacant position for which the employee has the skills and abilities within his/her job classification;
- B. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within his/her current permanent job classification; and
- C. A funded vacant or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as their current permanent position, within a job classification in which the employee has held permanent status.

Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions. Part-time employees only have options to part-time positions. Full-time employees only have options to full-time positions.

35.8 Informal Options

Employees being laid off may be offered funded vacant positions provided they meet the skills and abilities required of the position and the position is at the same or lower salary range as the position in which the employee currently holds permanent status.

35.9 Notice

Except for temporary layoffs as provided in [Section 35.4](#), employees with permanent status will be given at least fifteen (15) calendar days' written notice

before the effective date of the layoff action. If the Employer chooses to implement a layoff action without providing fifteen (15) calendar days' notice, the employee will be paid his/her salary for the days that he/she would have worked had full notice been given. The notice will include the basis for the layoff and any options available to the employee. The Union will be provided with a copy of the notice. Employees will be provided five (5) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the Employer to the employee. The day that notification is given constitutes the first day of notice.

35.10 Salary

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

- A. Transfer or Bump
An employee who accepts a transfer or bumps to another position within their current job classification will retain his/her current salary.
- B. Voluntary Demotion in Lieu of Layoff and Bump to a Lower Position
An employee who bumps to another position with a lower salary range will be paid an amount equal to his/her current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.
- C. Salary Upon Appointment From an Internal Layoff List
Employees who are appointed from an internal layoff list to a position with the same salary range from which they were laid off will be paid the amount in which they were compensated when laid off plus any across the board adjustments, including salary survey or other pay adjustments that occurred during the time they were laid off. Employees who are appointed from an internal layoff list to a position with a lower salary range than the position from which they were laid off will be paid an amount equal to the salary they were receiving at the time they were laid off provided it is within the salary range of the new position. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

35.11 Moving Expense

When an employee selects an option to a permanent appointment that causes an unreasonable commute and chooses to move, the Employer will pay moving expenses. Household moving expenses will be paid in accordance with the Office of Financial Management (OFM) regulations.

35.12 Transition Review Period

The Employer will require an employee to complete a six (6) month transition review period when the employee accepts a layoff option to a job classification in which he/she has not held permanent status, been appointed from the General Government Transition Pool Program, or been appointed from an internal layoff list. The Employer may extend the transition review period to no more than twelve (12) consecutive months due to specific documented training requirements. The Employer will have the authority to shorten an employee's review period. Employees will receive a permanent appointment to the position upon successful completion of the transition review period. The Employer may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the internal layoff list. The employee will remain on the list until such time as his/her eligibility expires or he/she has been rehired into a position other than the one they have been separated from during their transition review period. Separation during the transition review period will not be subject to the grievance procedure in [Article 9](#).

35.13 Recall

- A. The Employer will maintain layoff lists for each job classification, which will include geographical availability. Employees who are laid off or have been notified that they are scheduled for layoff, may have their name placed on the lists for the job classification from which they were laid off or bumped and will indicate the geographical areas in which they are willing to accept employment. Additionally, employees may request to have their name placed on layoff lists for other job classification in which they have held permanent status. An employee will remain on the layoff lists for two (2) years from the effective date of the qualifying action and may request to be placed on the layoff lists for which they qualify at any time within the two (2) year period.
- B. When a vacancy occurs within an agency and when there are names on a layoff list, the Employer will fill the position in accordance with [Section 15.2](#), Hiring and Appointments. An employee will be removed from the layoff list if he or she is certified from the list and waives the appointment to a position two (2) times.
- C. Employees who have taken a demotion in lieu of layoff may also request to have their name placed on the agency's internal layoff list of the job classification they held permanent status in prior to the demotion.

35.14 General Government Transition Pool Program

Employees who are notified that they are at risk of being laid off or have been laid off may request their names be placed into the General Government Transition Pool Program administered by the Department of Personnel. When a vacancy occurs, the Employer will consider employees in the General Government

Transition Pool Program along with all other candidates, all of whom must have the skills and abilities to perform the duties of a position being filled.

35.15 Project Employment

Project employees have layoff rights within their project. Formal options will be determined using the procedure outlined in [Section 35.7](#). Permanent status employees who left regular classified positions to accept project employment without a break in service have layoff rights within the agency in which they held permanent status to the job classification they held immediately prior to accepting project employment. Project employees who are separated from state service due to layoff and have not held permanent status in classified service may request their names be placed into the General Government Transition Pool Program.

In either case, employees will be responsible for notifying their supervisor of damaged or lost uniforms.

36.5 Tools and Equipment

As established by current practices, the Employer may determine and provide necessary tools and equipment. The Employer will ensure tools and equipment are maintained in a safe working condition and will provide training on the safe operation. The Employer will repair or replace employee-provided tools and equipment if damaged or worn out beyond usefulness in the normal course of business. Employees will be responsible for the safe operation of tools and equipment, reporting any malfunctions or damage and will reimburse the Employer for damage due to negligence or loss by the employee.

36.6 Personal Property Reimbursement

The Employer agrees to reimburse employees for personal property damaged in the proper performance of their duties in accordance with agency policy. The Employer will process damage claims without undue delay following receipt of the claim from the employee.

When a license and/or certification is required as part of the minimum qualifications for a job classification or the position requires any specialized license (e.g., driver's license, including CDL), the employee will be responsible for the cost of the certification and/or license and all renewal costs. When a new certification/license is required, the Employer will reimburse the employee for its cost and all renewal costs. Employees will notify their Appointing Authority or designee if their license or certification has been revoked or suspended within twenty-four (24) hours or prior to their next scheduled shift, whichever occurs first, of the revocation or suspension.

ARTICLE 38 STRIKES AND LOCKOUTS

ASSIGNMENT PAY**

Assignment Pay (AP) is granted in recognition of assigned duties which exceed ordinary conditions. The "premium" is stated in ranges or a specific dollar amount. If stated in ranges, the number of ranges would be added to the base range of the class. The "reference number" indicates the specific conditions for which AP is to be paid.

Group A indicates those classes which have been granted AP; Group B indicates those assigned duties granted AP which are not class specific; Group C applies to reference #29 and PERC decision 26673-I-14-0659.

The Department of Corrections may, at its discretion apply premiums, not to exceed the indicated limit, in order to address problems of recruitment and retention. A premium shown to be applicable to an entire class at a location (institution/office) must be applied to that class uniformly at that location. “At its discretion” means that the only permissible grievance of such a decision is limited to whether or not the decision in question was arbitrary and capricious or violated the express terms of this provision. Once applied, a premium may not be reduced for the life of the Agreement.

APPENDIX K SPECIAL PAY RANGES AND NOTES

These ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units. An affected class is identified by a letter designation following the basic salary range number or by a letter designation preceding a number. In the latter case, a special salary schedule will be used for such classes.

“D” RANGE: This range is a single rate per hour equivalent to the State’s minimum wage. It is payable to employees who have dog handler assignments, and only while they are off duty,, but are still required to care for the dog in their charge. Work time to be paid at “D” range includes, but is not limited to time required for daily feeding, exercising, grooming, and emergency health care of the dog, and care and cleaning of the kennel. (Rev 7/02)

“E” RANGE: This range is used for classes having a prevailing pay range which is shorter than Washington’s standard ranges. An “E” range is a standard range with the first four steps removed. Thus, the first step of such a range is the same as Step E of the standard range having the same range number. Periodic increases through the steps of this range are made at the same intervals as through standard ranges.

“G” RANGE: This range is used for classes having a prevailing pay range which is shorter than Washington’s standard ranges. A “G” range is a standard range with the first six steps removed. Thus, the first step of such a range is the same as Step G of the standard range having the same range number. Periodic increases through the steps of this range are made as the same intervals as through standard ranges.

“N2” RANGE: This range applies to nurses represented by the Teamsters, and is used for classes requiring licensure as a registered nurse and having a prevailing pay range which is longer than Washington’s standard ranges. An “N2” range is a standard range, step A through K, with ten (10) added steps, L through U. Periodic increases through step K of these ranges are made at the same intervals as through standard ranges. Thereafter, an employee receives a one-step increase based on years of experience up to the maximum step of the range.

APPENDIX L
REGISTERED NURSES AND LICENSED PRACTICAL NURSES REPRESENTED BY
TEAMSTERS LOCAL UNION 117

The parties agree that the process below constitutes “reasonable efforts” to obtain staffing by the DOC, pursuant to [RCW 49.28.130\(6\)](#) and [49.28.140\(3\)\(c\)](#), when assigning overtime shifts for nurses at DOC facilities. DOC shall document that it undertook each of the following steps in successive order:

1. Prior to assigning overtime, the Employer will offer the assignment of the work to on-call nurses who are not in overtime status (i.e., have not yet worked forty [40] hours in the workweek).
2. If no on-call nurses are available, nurses in the same job classification as the post/duties requiring coverage who have signed-up for voluntary overtime under Article 17 of the parties’ 2017-2019 Collective Bargaining Agreement (CBA) will be assigned/offered the overtime. Such overtime will be assigned/offered based on seniority. Nurses who are on-duty who have signed-up on the voluntary overtime list for the next scheduled shift may not refuse an assignment of overtime. On-call nurses who have reached forty (40) hours in a workweek are eligible to sign-up for voluntary overtime under Article 17 of the parties’ CBA.
3. After the voluntary sign-up list has been exhausted for nurses in the same job classification as the post/duties requiring coverage, the Employer will solicit volunteers who are in the same job classification as the post/duties requiring coverage and who are already on-duty (“All Call”). If more than one (1) nurse responds to an All Call, the Employer will offer the available position(s) on a first-come, first-serve basis.
4. If there are still insufficient volunteers after the “All Call”, nurses in different job classifications as the post/duties requiring coverage who have signed-up for voluntary overtime under Article 17 of the parties’ 2017-2019 CBA will be provided the opportunity to work the overtime, if the duties to be performed are within the scope of his/her license. Such overtime will be assigned/offered based on seniority. Nurses who are on-duty who have signed-up on the voluntary overtime list for the next scheduled shift may not refuse an assignment of overtime.
5. If there are still insufficient volunteers, the Employer will solicit volunteers in different job classifications as the post/duties requiring coverage and who are already on-duty, if the duties to be performed are within the scope of his/her license. If more than one (1) nurse responds to the second “All Call”, the Employer will offer the available position(s) on a first-come first-serve basis.
6. If there are still insufficient volunteers, the Employer will offer the overtime to on-call nurses who are in overtime status (i.e., have already worked or are pre-

scheduled to work 40 hours in the workweek), but who are not on-duty and have not signed-up for voluntary overtime under Article 17 of the parties' CBA; provided on-call nurses will be provided an opportunity to request not to be called at home and offered the opportunity to work overtime. Consistent with Section 32.13 of the parties' CBA, on-call nurses are not entitled to callback compensation.

7. If there are still insufficient volunteers, the Employer will, in seniority order, call nurses in the same job classification as the post/duties requiring coverage, who are not on-duty and have not signed-up for voluntary overtime under Article 17 of the parties' CBA, and offer the overtime; provided:
 - a. Nurses will be provided an opportunity to request not to be called at home and offered the opportunity to work overtime; and
 - b. Nurses who are not on-duty, have not signed-up for voluntary overtime, and agree to work the overtime shift will be entitled to callback compensation in accordance with Section 32.13 of the parties' CBA.
8. If there are still insufficient volunteers, the Employer will, in seniority order, call nurses in a different job classification as the post/duties requiring coverage, who are not on-duty and have not signed-up for voluntary overtime under Article 17 of the parties' CBA, and offer the overtime if the duties to be performed are within the scope of his/her license; provided:
 - a. Nurses will be provided an opportunity to request not to be called at home and offered the opportunity to work overtime; and
 - b. Nurses who are not on-duty, have not signed-up for voluntary overtime, and agree to work the overtime shift will be entitled to callback compensation in accordance with Section 32.13 of the parties' CBA.
9. If there are still insufficient volunteers, the Employer will contact nurses contracted through an agency provider who are currently working a block segment at the facility and offer the opportunity to work the overtime shift.
10. Mandatory overtime pursuant to Section 17.1(F) of the parties' CBA may be assigned only if the facility is unable to fill a nursing post and has documented completion of Steps 1 through 9 above, unless the overtime is required pursuant to the reasons specified in [RCW 49.28.140](#)(3)(a), (b), and (d).

Nurses who are contacted at home as a result of the process outlined above will not be entitled to compensation for the duration of the telephone call. In the event that the most senior nurse is not on-duty and cannot be reached (i.e., no answer) when assignments are being offered, the next nurse in descending seniority order will be contacted. A nurse who returns a call, after not answering a call, will only be offered an overtime opportunity if one still exists. When a nurse accepts an overtime assignment but cannot

report to the facility at the time the shift starts, the least senior nurse who is currently on-duty will be required to work until the nurse who accepted the overtime assignment reports to the facility.

In addition, the parties agree to modify Section 23.6 of the parties' CBA to require a nurse, who is in a position where a relief replacement is necessary, to notify his/her supervisor of the need for him/her to be absent at least three (3) hours prior to his/her scheduled time to report to work.

If there is a conflict between this appendix and Article 17 and/or Section 23.6 of the parties' 2017-2019 CBA, the provisions of this appendix will govern. An alleged violation of this appendix shall be subject to the grievance procedure outlined in Article 9 of the parties' CBA.

BETWEEN
THE STATE OF WASHINGTON, DEPARTMENT OF CORRECTIONS
AND
TEAMSTERS LOCAL UNION NO. 117

Section 1. 2017-2019 Bargaining Regarding Changes to a Mandatory Subject

In accordance with RCW 41.80.090, the parties have agreed to the following impasse procedure for negotiations over a change in a mandatory subject of bargaining during the term of the 2017-2019 collective bargaining agreement for Department of Corrections employees:

- a) During the term of the 2017-2019 collective bargaining agreement, the Department of Corrections will provide notice to the Teamsters in accordance with Article 5, Union/Management Relations and satisfy its collective bargaining obligation under law before changing a matter that is a mandatory subject of bargaining. In the event that the Union requests negotiations and the parties cannot reach agreement, the parties agree to submit the outstanding issue(s) to an arbitrator for resolution.
- b) An arbitration under this section must comply with the provisions of Section 2(b), (e), (f) and (i).
- c) Financial costs of arbitration awards:
 - a. If OFM determines that an individual arbitration award under this section will cost more than \$250, 000 during the 2017-2019 biennium, the award will not be implemented unless or until the OFM Director determines that the award is financially feasible for the Department of Corrections.
 - b. If the OFM Director determines an individual arbitration award under this section is not financially feasible for the Department of Correction, then the parties will either:

 - ii. The Union can request that the arbitration award be submitted to the Legislature in the Governor's budget for funding to implement the award. The award will not be implemented unless or until the Legislature funds the arbitration award.

Section 2. 2019-2021 Bargaining

In accordance with RCW 41.80.090, the parties have agreed to the following impasse procedure for the negotiations of the 2019-2021 Teamsters 117 collective bargaining agreement for Department of Corrections employees:

- a) By September 7, 2017, the parties will attempt to agree on an interest arbitrator to be used in the event the parties are not successful in reaching agreement through negotiations for a comprehensive collective bargaining agreement for the 2019-2021 biennium. The parties will select an arbitrator by mutual agreement or by

- alternatively striking names from a regional list of seven qualified arbitrators provided by the Federal Mediation and Conciliation Service.
- b) The fees and expenses of the arbitrator, the court reporter (if any) and the cost of the hearing room (if any), will be shared equally between the parties. Each party is responsible for the costs of its attorneys, representatives and witnesses, and all other costs related to the development and presentation of their case.
 - c) Immediately upon selecting an interest arbitrator, the parties shall cooperate to reserve dates with the arbitrator for a potential hearing between August 1, 2018 and September 15, 2018. The parties shall also prepare a schedule of at least five negotiation date, absent an agreement to the contrary.
 - d) The parties shall execute a written agreement before December 15, 2017, setting forth the name of the arbitrator and the dates reserved for bargaining and arbitration.

 - f) In making its determination, the arbitrator shall take into consideration the following factors:
 - i. The financial ability of the Department of Corrections to pay for the compensation and benefit provisions of a collective bargaining agreement,
 - ii. The constitutional and statutory authority of the employer;
 - iii. Stipulations of the parties;

 - vii. Changes in any of the factors listed in this subsection during the pendency of the proceedings; and
 - viii. Such other factors which are normally or traditionally taken into consideration in the determination of matters that are subject to bargaining under RCW 41.80.020(1).
 - g) The decision of an arbitrator under this section is subject to the October 1st deadline and financial feasibility provisions of RCW 41.80.010(3).
 - h) The decision of an arbitrator is not binding on the Legislature and, if the Legislature does not approve the funds necessary to implement provisions pertaining to the compensation and fringe benefit provision of an interest arbitration award, the provisions are not binding on the State or Department of Corrections.
 - i) Procedures for interest arbitration:
 - i. To the extent applicable, the parties intend that WAC Chapter 391-55 controls the procedures for interest arbitration under this MOU.
