Sick leave, vacation, holidays, and other paid, non-work time away from the job are not considered as hours worked.

Work Shifts:

All employees on regular shifts have established starting and quitting time and the Department Head shall determine that schedule. The Department Head may modify the shift schedules to accommodate department services with advanced notice or in an emergency situation. This excludes employees on irregular work schedules. For these employees, the Department Head may adjust the work shift in advance, if possible.

Section 2: Rest Periods

Once the forty (40) hour maximum has been reached, the employee will receive overtime pay for the number of hours that exceed the maximum accrual allowed. Any hours not taken in the fiscal year in which they were earned will be paid to the employee with the last payroll check in June of each year.

Section 6: Scheduling Compensatory Time

An employee may use compensatory time at mutually agreeable times that do not interfere with the County's operational needs. The County may deny a request for compensatory time off if it necessitates backfilling with overtime.

Continuous service shall be broken by any separation from County employment.

Section 3: Layoff Definition

A layoff is a reduction in force as defined as a reduction in hours from full time to part time and from full-time or part-time to separation from employment.

Section 4: Layoff Order

Bargaining unit employees with the least seniority within the job classification series within the Assessor's Office shall be subject to layoff first unless in the County's judgement, the retention of special skills requires layoff on another basis. The laid off employee may bump a less senior regular full time employee in the same classification if the laid off employee is qualified for the position without any additional training.

A job classification series is a group of classifications with similar duties of increasing complexity and responsibility; for example, Property Appraisers I, II and III.

Special skills includes a specialization within a classification; for example, a commercial property appraiser or a farm/forest appraiser.

Section 5: Notice

Employees subject to layoff shall be given written notification at least fourteen (14) calendar days in advance of the effective layoff.

Section 6: Recall

Employees will be recalled based upon their job classifications and seniority date at the time of layoff, with the most senior employee being recalled first, providing such opening occurs within thirteen (13) months of the date of layoff.

Specifically, the County shall send a certified letter, return receipt requested, to the last known address of the laid-off employee. It is the employee's responsibility to keep the County informed of their most recent address.

Upon receipt of such letter, the laid-off employee shall have seven (7) days in which to notify the County of his intent to return to work. Failure to do so will constitute a waiver of re-employment rights. Employees returning from layoff status to active employment shall have previously acquired seniority for purposes of vacation accruals and accrued sick leave reinstated, but shall not receive credit for the time of the layoff.

ARTICLE 14 - DISCIPLINE AND DISCHARGE

Section 1: Disciplinary Action

No regular employee shall be disciplined or discharged without just cause. All disciplinary action imposed upon an employee, except oral warnings, may be protested as a grievance through the grievance procedure. Oral warnings shall not be placed in an employee's personnel file. Oral warnings shall not be used to support any discipline other than an oral or written reprimand. All disciplinary and corrective actions shall be done in a manner which will not embarrass the employee before other employees or the public.

If the County determines there is just cause for discharge, the County shall deliver to the employee and the Union a written notice of such discharge, specifying the principal grounds for such action. The Union may process a grievance concerning suspension, demotion or discharge at Step 2 of the grievance procedure.

Section 2: Pre-Discipline Hearing

When the County intends to take disciplinary action involving discharge or suspension, the County shall notify the non-probationary employee in writing of the charges against the employee and the proposed disciplinary action, and shall provide the employee with the opportunity to respond to the charges at a hearing with the supervisor or person having the authority to impose the proposed disciplinary action.

ARTICLE 15 - DISPUTE RESOLUTION

Section 1: Grievance Definition

As used in this contract, the term "grievance" means any claim by or on behalf of a particular employee or party to this contract that such claimant's rights, benefits, privileges, or interests under this contract have been violated or that this contract has been misapplied to such claimant in a particular case.

Section 2: Exclusive Remedy

Grievances shall be initiated and processed in the manner provided for herein, which procedure the parties mutually acknowledge to be the exclusive and binding process for the resolution of disputes constituting grievances

Section 3: Time Limits and Procedures

Any or all time limits specified in the grievance procedure may be waived by mutual consent of the parties. Any such waiver must be reduced to writing by the party requesting it and agreed to in writing by the other party (exchanged e-mails shall be sufficient to meet this requirement). Failure of the aggrieved party to submit or prosecute a grievance in accordance with these time limits shall constitute abandonment of the grievance. The County shall respond to the grievance within the stated time limits unless an extension has been mutually agreed upon in writing. Upon failure of the County to respond to a grievance within the specified time limits, the Union will be permitted to advance the grievance to the next step.

Section 4: Grievances

The written grievance shall include:

- (1) The name and position of the employee by or on whose behalf the grievance is brought.
- (2) The date of the circumstances giving rise to the grievance, and the date of the employee's first knowledge thereof, if later.
- (3) A clear and concise statement of the grievance including the relevant facts necessary to a full and objective understanding of the employee's position.
- (4) The specific provision or provisions of this contract allegedly violated by the County.
- (5) The remedy or relief sought by the employee.
- (6) The signature of the employee submitting the grievance, and such person's name and position if other than the aggrieved employee.

Section 5: Grievance Procedure

Step One: Within fifteen (15) calendar days after the incident that led to a grievance, the aggrieved employee shall file a copy of the grievance with the employee's immediate supervisor. The supervisor or another representative of the County will, within fifteen (15) days of receipt of the grievance, render a decision after meeting with the aggrieved employee and/or union representative. If the grievance is not resolved, the employee will, within ten (10) calendar days of the County's decision, proceed to Step 2.

Step Two: The grievance, along with a written statement explaining why the supervisor's response is not adequate will be submitted to the Department Head or designee. The Department Head or designee will meet with the employee and/or the Union representative and will render a decision within fifteen (15) calendar days of receipt of the grievance. If the Department Head's decision does not resolve the grievance, the Union may advance the grievance to Step 3.

Step Three: If the Union chooses to advance the grievance to Step 3, the Union must provide notice to Human Resources and request a list of arbitrators from the Employment Relations Board within fifteen (15) days of the County's response in Step 2 unless mediation has been requested. If the parties do not agree to mediation, the Union must request a list of arbitrators within 15 (fifteen) days of the refusal to mediate. Grievances shall be submitted to a single arbitrator chosen in the following manner from a list of seven (7) names submitted by the State Conciliator of the Employment Relations Board or from any other agency on which the parties agree. Within fifteen (15) calendar days following the Union's receipt of the list of arbitrators, the party requesting arbitration shall strike the first name from the list. Strikes shall be exercised alternately until each party has exercised three (3) strikes and only one (1) name remains, who shall be the arbitrator. Within fifteen (15) calendar days from the date the arbitrator is selected, the Union, on behalf of both parties, shall inform the arbitrator of selection; and the arbitrator shall schedule a hearing.

Section 6: Mediation

Within fifteen (15) calendar days of receipt of the County's response in Step 2, either party to the labor contract may request mediation. Both parties must agree to mediation. If agreed to by both parties, the Union will contact the State Conciliator of the Employment Relations Board and a mediation session will be held with an assigned mediator. If mediation is not successful, a request shall be made within ten (10) calendar days from the conclusion of mediation, for a list of arbitrators. Mediation shall be concluded when (1) the parties mutually agree in writing that the grievance is resolved; and (2) the Union provides written notice that the grievance is withdrawn; or (3) either party notifies the other party and the mediator in writing that it wishes to conclude mediation, but only after at least one mediation session has been held.

Section 7: Arbitrator Limitations

The powers of the arbitrator shall be limited to determination of issues of fact and the application and interpretation of the provisions of this contract. The arbitrator shall have no power or authority to alter, abridge, modify, vacate, or amend any of the terms of this contract.

Section 8: Miscellaneous

The arbitrator shall render a decision within thirty (30) days after the briefs have been submitted. Any necessary expenses for the services of the arbitrator shall be split equally between the parties. If either party desires an official verbatim record of an arbitration proceeding, it may cause such a record to be made, providing it pays for the record and makes copies available without charge to the other party and to the arbitrator. Each party shall be responsible for compensating its own representatives or witnesses, subject to changes in relevant case law. The names of any witness to be used in arbitration by either party shall be made known to the other at least seventy-two (72) hours prior to the arbitration hearing.

Section 9: Decision

The decision of the arbitrator, if arrived at pursuant to the provisions of this contract, shall be final and binding upon the parties.

Section 10: Informal Discussion Permitted

Nothing in this article is intended to preclude or prohibit informal discussion of a potential grievance between an employee and the immediate supervisor, provided that the time limits set forth herein are adhered to.

ARTICLE 16 - PERSONNEL RECORDS

Section 1: File

Employees may inspect the contents of their personnel file, in the presence of an authorized County representative. There shall be only one (1) official personnel file. Other unofficial files may be kept.

Section 2: Signatures

No information reflecting critically upon employees will be placed in their personnel files without the employees being given the opportunity to review and sign the information. Employees will be required to sign such material to be placed in their personnel file with the understanding that their signature does not indicate agreement. If the employee refuses to sign the document, the supervisor will make a note that the employee has refused to sign and will place the information in the file.

If an employee believes that any of the above material is incorrect or a misrepresentation of facts, he or she shall be entitled to prepare in writing his or her explanation or opinion regarding the prepared material. This shall be included as part of his or her personnel record. Employees must prepare his or her rebuttal on his or her own time and the rebuttal must be submitted within thirty (30) calendar days from the date the material was presented to the employee.

Section 3: Copies

An employee may request a copy of any of the contents of his or her personnel file.

ARTICLE 17 - NO STRIKES

During the life of this Agreement, the Union and its members, as individuals or as a group, will not initiate, cause, permit, participate in or join any strike, work stoppage, slow down, picketing or any other restriction of work. Employees in the bargaining unit shall not honor any picket line when called upon to cross such picket line in the line of duty. Disciplinary action, including discharge, may be taken by the County against any employee or employees engaging in a violation of this article.

In the event of a strike, work stoppage, slow down, picketing, observation of a picket line or other restriction of work in any form, either on the basis of individual choice or collective employee conduct, the Union will immediately upon notification make reasonable attempts to secure an immediate and orderly return to work.

ARTICLE 18 - SAVINGS CLAUSE

Should any article, section, provision, or portion thereof of this Agreement be held unlawful or unenforceable by any court of competent jurisdiction or become unlawful through a change in applicable state or federal law, only the specific article, section, provision, or portion thereof will be invalidated. The remainder of the Agreement will still be given full force and effect and remain binding on the parties. The parties agree to meet promptly in order to bargain replacement language for any part of this Agreement that is held to be unlawful.

ARTICLE 19 - TERMINATION

This Agreement shall commence upon execution and remain in full force and effect until June 30, 2019. Either party must notify the other party, in writing, no later than January 1, 2019 of its intention to negotiate a successor agreement.
