PREAMBLE

This Agreement is entered into by Hood River County, a political subdivision of the State of Oregon, hereinafter called "County" and the Hood River Local No.2503, affiliated with Oregon Public Employees Council 75, of the American Federation of State, County and Municipal Employees AFL-CIO, hereinafter referred to as the Union.

ARTICLE I

DEFINITIONS AND INTERPRETATION

Section 1- Scope of Bargaining Unit: The bargaining unit covered by this Agreement shall be all Hood River County employees who work 20 hours or more per week in the following departments: Forestry, Public Works including Parks & Buildings. This shall exclude positions that are supervisory, confidential employees, employees working less than 20 hours per week, and temporary or seasonal employees as defined.

Section 2- Seniority: "Seniority" shall be defined as the total length of unbroken service within the bargaining unit.

Section 3- Gender: The masculine gender includes the feminine and the singular tense includes the plural.

Section 4- Seasonal Employee: A seasonal employee shall be any employee who is notified at the time of hire that such employment is for a period of time not to exceed nine (9) months. A seasonal employee will be laid off at the end of the season and may be recalled again when season starts. Seasonal employees are not members of the bargaining unit.

Section 5- Temporary Employee: A temporary employee shall be any employee who is notified at the time of hire that the employment is temporary in nature and for a specific project or duration. Normally, temporary assignments would not exceed six (6) months, and in no event, would exceed 12 months.

The County shall notify the Union any time a temporary assignment exceeds six (6) months. A temporary employee will be terminated at the completion of the project. Temporary employees are not members of the bargaining unit.

Section 6- Regular Employee: A regular employee shall be any employee who is hired in a classification for a period of more than 6 months at a minimum of 20 hours per week, and attains regular status after successfully completing a nine (9) month trial period. Regular employees scheduled for 40 hours work per week are full time. Regular employees scheduled for at least 20 hours per week, but less than 40 per week, are part time.

ARTICLE II

RECOGNITION

The County recognizes the Union as the sole and exclusive bargaining agent for the purpose of negotiating with the County on matters concerning employment relations for all employees of the County employed in one of the pay classifications within the recognized unit set forth in Schedule "A" of this Agreement, excluding supervisory and confidential personnel and temporary and Seasonal employees. Temporary employees shall be those employees hired for a specific project with a limited duration of six months or less. Seasonal employees will be laid off at the completion of each season, (not to exceed 9 months), with the expectation they may be recalled for work the following season.

ARTICLE III

SCOPE OF AGREEMENT

The parties acknowledge that during negotiations, which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in full in this Agreement. Therefore, for the life of this Agreement, the County and the Union each voluntarily and unqualifiedly waive the right, and each agrees that the other will not be obligated to negotiate collectively with respect to any subject or matter, whether or not referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both the parties at the time of the negotiation of signing of this Agreement.

ARTICLE IV

MANAGEMENT RIGHTS

The rights to manage in every respect the functions of the "County" and of its employees are vested exclusively in the County, except to the extent that such rights are expressly modified by specific provisions of this Agreement.

The County shall have the right to contract or sub-contract all work which is required by law to contract or sub-contract and may contract or sub-contract other work provided that the effect of such contracting or sub-contracting would not result in the layoff of current employees or reduction to the regularly scheduled hours of work available to current employees.

ARTICLE V

UNION SECURITY

Section 1- Fair Share: The County shall deduct from the wages of employees in the bargaining unit who are members of the Union, and who have requested such deductions in writing, a sum equal to Union dues. Employees in the bargaining unit who are not members of the Union shall make payment-in lieu-of-dues to the Union. Payments-in-lieu-of-dues shall be equivalent to the regular Union dues used for collective bargaining purposes in accordance with ORS 243.650. Each month the County will deduct from the wages of each bargaining unit employee who is not a Union member, the payment-in-lieu-of-dues required by this Section. Similar deductions will be made in a similar manner from the wages of new bargaining unit employees who did not become members of the Union within thirty (30) days after the effective date of their employment. Said payments shall be accompanied by a listing of the names of all employees from whom deductions are made.

The union shall be notified of any and all changes to the wage scale, and shall also be notified of any changes to the classification system. The Union shall be notified monthly of all new hires and/or changes in the following for existing employees; the employee's name, home address, classification, rate of pay and date of employment, job title, status change such as retirement or leaving a bargaining unit position. During the life of this contract, the Union will notify the County periodically of individuals who have become members of the Union and to whom the Union fee provisions of this Article will not thereafter apply. Additionally the Union shall notify the employer of newly elected or appointed to union office.

Section 2- Religious Exemption: The provisions of Section 1 hereof shall not apply if an employee objects in writing to the County, based upon such employee's membership in a bonafide church or religious group whose tenets or teachings are contrary to such payment. The County will provide the Union with a copy of any such letter within five (5) days of its receipt.

In such instances, the employee shall authorize a deduction from his/her pay that is in lieu of and equivalent to the fair share amount. Such payroll deduction shall be in addition to any previously established deduction and shall be for the United Fund or other mutually satisfactory charitable organization as agreed to between the employee and the Union.

Section 3- Months: For the purpose of calculating months to determine the beginning or end of the payroll deductions called for in Sections 1 or 2 of this Article, dues or like amounts shall be deducted for any calendar month during which the employee works ten (10) working days or more.

Section 4- Hold Harmless: The Union will indemnify, defend and hold the County harmless against any claims made and against any suit instituted against the County as a result of any County action taken pursuant to the provisions of this Article. The Union and the County each agree to reimburse any monies paid or not paid in error within thirty (30) days of notification of such error.

ARTICLE VI

HOURS OF WORK

Section 1- Daily Schedule: The work day for all employees shall be eight (8) hours in duration, exclusive of meal periods.

Section 2- Work Week: The regular work week shall consist of five (5) consecutive work days of eight (8) hours, exclusive of meal periods.

Section 3- Rest Periods: Each employee shall be allowed a fifteen (15) minute rest period during the first four (4) hours of the work day, and a fifteen (15) minute rest period during the remaining period of the employee's work day, which shall be scheduled in accordance with the operating requirements of each division, section or work crew.

Employees who are required, for any reason, to work beyond their normal work period shall receive a fifteen (15) minute rest period before they start to work on the next scheduled shift, when it is anticipated the overtime is to exceed a minimum of one and one-half (1-1/2) hours.

Section 4- Meal Periods: All employees shall be granted a meal period during each work shift. To the extent consistent with operating requirements of each Department, each meal period shall be scheduled as near as possible to the middle of the work day. Any regular employee who is requested to and does work more than two and one-half (2-1/2) hours beyond his/her regular quitting time will be entitled to one-half (1/2) hour off for his/her meal in lieu of rest time, as close as possible to the end of such employee's regular shift.

Section 5- Clean-Up Time: The County shall provide the required facilities for the employee's clean-up, with necessary paid time allowed for clean-up.

Section 6- Change of Working Hours: Except as provided below, the County shall give at least two (2) working days advance notice, in writing, to any employee whose normal time for reporting to or departing from work are to be changed. Failure to comply with this section by the County, the employee shall be paid at the rate of time and one-half (1-1/2) of his/her normal rate of pay for those hours so worked outside of his/her normal time for reporting and departing from work.

However, when the change in work schedule is due to circumstances that are outside the control of the County, and could not reasonably have been foreseen at least two (2) days in advance, such advance notice of shift change shall not be required. However, if an employee is requested to report to work before his/her next previously scheduled shift, he/she will receive the equivalent of one (1) hour extra pay for the inconvenience.

Section 7- Call-In In the event a regular employee is called to work overtime and said employee reports for work, the employee shall be paid for two (2) hours work if the employee is informed upon reporting for work that no work is available. If work is available, the employee shall be paid for one hour inconvenience time plus time and one-half for hours actually worked.

Section 8- Four/Ten Schedule: Notwithstanding the foregoing, the County may institute a seasonal "4/10" schedule not to commence before March 1 or to be extended beyond November 1 of any given year. When a "4/10" schedule is in effect, the following shall apply:

- e) Holidays observed during the period that a "4/10" is in effect shall be paid at the rate of ten hours for each holiday. If a holiday falls on Friday or Saturday, the holiday shall be observed on the preceding scheduled work day (i.e. Thursday or Friday), or if the holiday falls on Sunday or Monday, it shall be observed on the succeeding scheduled work day (i.e., Monday or Tuesday).
- f) Rest periods shall occur as close to the middle of the first and second half shifts as possible. Meal periods shall occur as close to the middle of the shift as possible.

ARTICLE VII

An employee shall be compensated at the rate of time and one-half (1-1/2) rounded off to the nearest quarter hour for work under the following conditions, but in no event shall such compensation be received twice for the same hours: (1) All assigned work in excess of eight (8) hours on any scheduled work day; (2) All assigned work in excess of forty (40) hours in any work week, as defined in this Agreement.

Section 3- Overtime Distribution: The County shall continue to make a good faith effort to equally distribute overtime work among employees with comparable skills who desire to work overtime and who work at the same location; however, work which is an extension of the regular day activities shall not be subject to this provision. A record of overtime hours worked by each employee shall be posted by the County on the bulletin board quarterly, on or about the fifteenth of the month following the end of the quarter.

Section 4- Notification: In the event an employee is required to work overtime that was not scheduled prior to the start of his/her shift and if he/she does not have access to a phone, the County shall, upon request, notify the employee's spouse or other interested party of the overtime assignment.

In all cases, vacation shall be scheduled with the approval of the department involved. Section 4- Payment in Lieu of Vacation Time: No employee shall be paid extra wages or salary over and above the regular amount paid in lieu of annual leave or for working instead of utilizing vacation time earned, unless he/she has prior written approval from County Administrator.

Section 5- Payment Upon Termination: Upon termination of a regular employee for any reason, all accumulated vacation shall be paid in the employee's name.

ARTICLE IX

SICK LEAVE

Section 1- Accumulation: All employees will earn eight (8) hours of sick leave with pay for each full calendar month worked. A total of 180 days (1440 hours) of sick leave may be accrued by each employee. Sick Leave shall not accrue during any period of leave of absence without pay.

Section 2- Part-Time Employees: Part-time employees shall be credited with sick leave pro-rata that amount indicated in Section 1 of this Article that their normal or average hours of work each month compares to the hours of work of regular full time employees.

Section 3- Utilization of Sick Leave: Sick leave with pay is intended to be utilized when a regular employee is unable to perform his/her duties by reason of illness or injury beyond his/her control, and for dental or medical care of the employee, if such care is necessary and essential to the employee. The employee shall notify his/her Department Head of absence due to illness or injury, and the nature and expected length thereof, prior to the time such employee would

otherwise have reported to work. The Department Head, in his/her discretion, may require proof of the reason for utilization of sick leave, and may require a physician's statement or certificate.

Any illness or disability for which the employee is or could be eligible for benefits under Workers Compensation shall not be covered under the terms of this Article but shall be covered by the provisions of Article XII, Section 1.

An employee shall not work for other than the County while on sick leave until such time as he/she has requested and received permission from the Department Head in writing. Permission may be given where the work requested to be performed will not aggravate, prolong or complicate his/her illness or injury.

Section 4- Sick Leave for Illness of Members of Family:

(1) Sick leave may be utilized because of death or critical illness of a regular employee's spouse, children, parents, spouse's parents, grandparents, brothers, sisters, and grandchildren. Stepparents, stepchildren, stepbrothers, and stepsisters are considered immediate family when they reside in the household of the employee. The employee may be required to furnish satisfactory evidence of such illness. An employee has the right to appeal denial of use of sick leave to the County Administrator.

(2) The above does not preempt any Federal or State labor law, such as the Family Medical Leave Act of 1992.

Section 5- Emergency Hardship Leave: When an employee experiences a catastrophic hardship or is suffering from a serious illness or injury, another employee may voluntarily transfer a portion of their accrued vacation or accrued compensatory time to a recipient employee under the following circumstances:

3. Donated comp. or vacation days can be credited to the recipient employee's sick leave account only for serious illness or injury of the recipient employee that causes time off exceeding ten (10) working days.
4. The maximum number of donated days or hours which a recipient employee will be eligible to receive as sick leave for one illness or injury, shall be sixty (60) working days or 480 hours.

C. Procedure and Limitations

1. Employees may arrange for the donation of days in advance of the need of the recipient employee, but only for a specified, known illness or injury.
2. In the event donated days are not used by the recipient employee, they will remain as accrued sick leave available to the recipient employee. In the event the recipient employee leaves county employment, the sick leave balance is forfeited.
3. Donation and receipt of donated days may be between County employees without regard to bargaining unit membership.

Section 6- Retirement Credit: The County agrees to exercise its options under ORS, Chapter 238, requesting the Public Employees Retirement System to include the monetary value of one-half (1/2) of the accrued value of the accumulated sick leave of each retiring employee in computing the employee's "final average salary".

ARTICLE X

An employee may also be granted leaves of absence without pay at the discretion of the Department Head for educational purposes for reasonable lengths of time to attend conferences, seminars and other functions that are intended to improve or upgrade the individual's skill or professional ability provided that it does not interfere with the operation of the County.

No leave of absence shall be granted if it creates a departmental operational problem, as determined by the Department Head, particularly if it is not feasible to retain the current position pending the return of the employee requesting the leave of absence.

Section 5- Voting Time: Employees who are registered voters shall be granted adequate time to vote on any official election day, if, due to a shift or work scheduling, they would otherwise not be able to vote.

GRIEVANCE PROCEDURE

Section 1- Grievance Processing: It is recognized that from time to time questions may arise concerning the provisions of this Agreement. To accommodate the amicable and timely resolution of such questions, the parties agree that when the parties to this Agreement disagree as to the respective interpretation or application of the provisions of this Agreement, such disagreement shall be settled according to the terms herein-under provided. The employees may, at his/her discretion, elect to be represented by a Union representative(s) at the first three (3) steps of this procedure. Only the Union, however, may pursue a matter to binding arbitration.

Step 1: The aggrieved party shall, within seven (7) days of the occurrence of his/her demonstrated first knowledge, whichever shall occur later, meet with the immediate supervisor in an effort to resolve the grievance informally.

Step 2: If the grievance is not resolved in Step 1, it shall be filed in writing with the Department Head within fourteen (14) days of the occurrence of the grievance or the employee's demonstrated first knowledge of same, whichever shall occur later. The written grievance shall provide:

- a)** A specification as to the specific County action or lack of action that is the cause of the grievance;
- b)** The specific Article(s) and Section(s) and Subsection(s) thereof alleged to have been violated; and

Failure by the Union to pursue the grievance on a timely basis at any step as outlined in the Article, shall constitute a dismissal of the grievance.

Section 2- Grievance Processing: Only the Chief Steward, Local Union President, Council 75 and International Union representatives shall have the authority to settle grievances. The Union may, however, appoint stewards who may participate in and assist in the processing of grievances. Other protective clothing or devices, to include rain gear, will be provided as presently provided by the County at the effective date of this Agreement. The County will also provide protective shirts for those called upon to fight fires.

It is expressly recognized and understood that title for all protective clothing issued remains with the County and that upon termination of employment for any reason whatsoever, all protective clothing will be returned to the County or purchased from the County at the original purchase price paid by the County. Final payment of wages to the employee shall be contingent upon satisfaction of this Section. The loss (not normal wear and tear) of any assigned items by an employee as a result of negligence or wrongful and willful misconduct while the execution of his/her duties or any loss of protective clothing not arising out of the employee's conduct or his/her duties, shall require replacement of such equipment with all costs attendant thereto borne by the employee.

Section 4- Personnel Files: A copy of all reports, memoranda or notes pertaining to an employee's job performance or attitude which are to be placed in the employee's personnel file, will be given to the affected employee. An employee shall be allowed to inspect his/her personnel file at any reasonable time. Any reprimand or other record of disciplinary action may be removed from the employee's personnel file after one (1) year from the date of its issuance provided the employee requests its removal and the department head agrees to remove the material. After three (3) years from the date of any reprimand or other record of disciplinary action all material pertaining thereto shall be removed upon

the request of the employee, provided there has been no other new cause of disciplinary action during the intervening three (3) year period.

Section 5- Bulletin Board: The County agrees to allow the Union to use the existing bulletin boards located in the County Shops (two (2) at the main shop, one (1) at Parkdale and one (1) at the Forestry Building). The Union shall limit its posting of notices and bulletins to such bulletin boards and contents of such notices and bulletins shall be limited to information as it relates to employees and Union business. County and Union shall each designate one (1) principal and one (1) alternate responsible for management of the boards.

Section 6- Travel Pay: Whenever an employee is required to travel in the performance of their duty, such employee shall be allowed, in addition to their wage compensation, the actual and necessary travel expenses as defined in the County's Personnel Code. If an employee is assigned to work outside of Hood River County which requires an overnight stay, the employee shall receive \$25.00 per night in addition to travel expenses plus wages, beginning from the first night, provided there is work on the next day or if ordered to stay the night. This additional compensation will be excluded when the overnight stay is required to participate in ongoing training or educational programs.

Section 7- Portal to Portal Pay: Employees shall report to their permanent place of reporting at the designated starting time of the shift and shall return to their reporting place so as to be off work by the designated quitting time.

Section 8- Job Posting: Except in emergency situations the County agrees to post all job vacancies including new positions within the bargaining unit and for supervisory positions within the Department of Public Works, and Forestry for a minimum period of five (5) days upon the established bulletin boards (two at Main Shop and one at Parkdale) prior to filling the position.

Section 9- Classification Descriptions: When any modification in the currently adopted classification plan is instituted by management, it shall not be done for arbitrary or capricious reasons.

Any unresolved complaint as to the reasonableness of a change in rules or conditions shall be resolved through the grievance procedure.

ARTICLE XV

LAYOFF AND RECALL

Section 1- Layoff: In the event of a layoff of employees, selection of employees retained will be in accordance with the seniority within the affected job classification(s), so long as the senior employees possess qualifications, aptitude and ability to perform the work equal to those of the employees laid off.

Only in the event of a layoff shall employees have bumping rights. An employee displaced from his/her job by reason of a layoff shall be entitled to bump or displace an employee in an equal or lower job classification, provided the displacing employee has greater County seniority and possesses qualifications, aptitude and ability to perform the work equal to the employee he/she displaces.

In the event the Union considers the Supervisor's above determination as to relative qualifications, aptitude and abilities to have been arbitrary and in bad faith, it may submit that question as a grievance for handling in accordance with the grievance procedure, commencing at Step 2 thereof.

Section 2- Recall: In the event a reduction in force has occurred, employees will be recalled in the reverse order of layoff provided such employee is qualified to perform the available work.

An employee who is laid-off will remain on the laid-off list and be eligible for recall for twelve (12) months. The County shall notify a laid-off employee of a position opening by registered letter, return receipt requested, at his/her address of record as maintained in the employee's personnel file. It shall be the employee's responsibility to insure that his/her current address is on file at the time the layoff occurs and to provide notification of any change of address following the date of layoff in writing by certified mail. The laid-off employee, upon receipt of notification of recall, shall send by certified mail a letter of intent post-marked no later than five (5) calendar days from the date of receipt of such notification, indicating his/her acceptance or rejection of the position and have an additional fourteen (14) days therefrom in which to begin active employment. If the employee cannot be reached at his/her address of record, fails to respond within the allotted time, or if he/she rejects any position offered to him/her which is at least equivalent to the one held prior to layoff, he/she shall forfeit all re-employment rights.

Employees who wish to waive re-employment rights may do so by written notification to the Company.

Employees returning from layoff shall have previously accrued sick leave and seniority reinstated, but shall not receive benefits for the period of layoff.

ARTICLE XVI

PROMOTION/TRANSFERS/DISCIPLINE

Section 1- Trial Service Employees: Until such time as a new employee has been designated as a regular employee by the County, he/she shall be designated a trial service employee and shall be subject to termination of employment with or without just cause and without access to the grievance procedure or process. An employee shall be designated as a regular employee after nine (9) months of employment. Trial service employees may utilize sick leave after 90 days, and accrued vacation after six (6) months.

Section 2- Promotions and Transfers: Any employee who has successfully completed an initial trial service period may not be discharged except for just cause as provided in Section 3 hereof. Such an employee may, however, during the first six (6) months after promotion or lateral transfer, be returned to his/her previous position without recourse to any claim whatsoever of a violation hereof.

Section 3- Discipline: Disciplinary action shall include, but is not necessarily limited to, the following:

- a) Written reprimand;
- b) Demotion;
- c) Suspension; and
- d) Discharge.

A written reprimand may include notice of suspension, demotion or disciplinary probation or warning of further disciplinary action which will ensue upon repetition or further cause for disciplinary action. Disciplinary action may be imposed upon an employee for failing to fulfill his/her responsibilities as an employee of the County. Conduct of an employee which hinders the operation of the County shall be considered just cause for disciplinary action. Also, the willful giving of false information, or the withholding of information in making application for employment, or willful violation of departmental rules, shall be considered just cause for disciplinary action. Any disciplinary action imposed

upon employees shall be protested only as a grievance through the regular grievance procedure. If the department head or other supervisory employee has reason to discipline one or more of their employees, they shall make reasonable efforts to impose such discipline in a manner that will not unduly embarrass or humiliate the employee or the public. At the time that disciplinary action is taken, the employee shall be provided with a statement of the reasons and the cause(s) for the disciplinary action.

ARTICLE XVII

ARTICLE XVIII
STEP ADVANCEMENT

Section 1- Trial Period: Newly hired employees shall advance 1 step on the job classification salary schedule based upon the recommendation from the department head of satisfactory completion of the trial period as specified in Article XVI, Section 1. The step increase awarded at the completion of the 9 month trial period shall establish the annual anniversary date for future annual increases.

Section 2- Regular Employee: Each regular employee shall, on his or her anniversary date, advance one step on the salary schedule, providing the salary range is not exceeded. All employees who currently have a step increase date of July 1 shall retain July 1 as their anniversary date until such time as he/she may change classifications and establish a new anniversary date. All such step advancements shall be subject to satisfactory performance. However, no employee shall be denied a step increase unless he/she was advised with written confirmation at least three (3) months prior to the date the increase was due of those areas where performance deficiencies exist and has failed to adequately correct the specified deficiencies thereafter. Denial of step increase shall not be for arbitrary or capricious reason and shall be subject to the grievance procedure.

Section 3- Promotions: Upon promotion, an employee shall be given a salary increase to the lowest step of the higher pay range that will result in a pay increase of approximately five (5%) percent, not, however, less than four (4%) and not to exceed the highest step of the pay range to which the employee is being promoted. A promoted employee shall receive a step increase (not to exceed the top of the pay range), after successful completion of six (6) months in the new classification. The completion of this six month period shall establish a new anniversary date for step increases.

Section 4- P.W. Road Technician: Step increases beyond step 6 will be based on satisfactory performance and proficiency operation of any combination of equipment listed under Appendix "A" as follows:

Step 5 = 10 of 17 items of equipment
Step 6 = 11 of 17 items of equipment
Step 7 = 12 of 17 items of equipment
Step 8 = 13 of 17 items of equipment

Movement on steps 5 through 8 shall occur annually on the employee's anniversary date.

Section 5- Work Out of Classification: In the event an employee, for more than four (4) hours in anyone day, is directed by his/her supervisor to perform work not included in the job description of his/her classification, but included in the job description of another, higher-paid classification, said employee shall receive a one (1) step or five (5%) percent premium, whichever is greater, for the hours so worked. During the period that an employee is working on a project or assignment in a high-paid classification, the County will not replace the employee with another employee other than one of the appropriate classification, for the purpose of evading the higher classification pay called for in this Section. However, work out of classification pay shall not apply when training.

Section 6- Acting Supervisor: When an employee is appointed by letter to be an “acting supervisor”, he/she shall receive a five (5%) percent premium in pay.

Section 7- Longevity: Longevity step increases shall be granted to employees who have been continuously employed by the County in the same department as follows:

After fifteen years – five percent (5%) increase

After twenty years – two & one half percent (2 ½%) increase

Every five years thereafter – two & one half percent (2 ½%) increase

ARTICLE XIX

During the term of this Agreement and any extension thereof, there will be no strikes, no work slowdowns, nor any other concerted interruptions of County service by the employees, actual or constructive. Employees in the bargaining unit, while acting in the course of their employment, shall not honor any picket line established by the Union or by any other labor organization when called upon to cross such picket line in the line of duty. Disciplinary action may be taken by the County against any employee or employees engaged in a violation of this Article. There shall be no lockout of employees in the unit by the County as a consequence of any dispute arising during the period of this Agreement.

ARTICLE XX

ARTICLE XXI

Section 2- Termination: This Agreement shall automatically be renewed from year to year after June 30, 2020 and shall be binding for additional periods of one (1) year unless either the County or the Union gives written notice to the other not later than January 30 prior to the aforesaid expiration date of the Agreement of its desire to modify the Agreement for a successive term or to terminate the Agreement.
